Warrant for Special Town Meeting

JANUARY 2, 1920

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS.

To G. Gilbert Toone, Constable of the Town of Needham, in said County, GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town, on Friday, the second day of January next, at eight o'clock in the afternoon, then and there to act upon the following articles, viz.:

Article 1. To see what action the town will take in regard to unexpended balances and deficiencies for the year 1919.

Article 2. To see if the town will authorize the moderator to appoint a special committee with power to secure plans and estimates for an addition to the high school to contain space for manual training, domestic science, a gymnasium and such other rooms as the needs of the high school may require, this committee to report at the annual town meeting in March.

Article 3. To see if the town will authorize the moderator to appoint a special committee with power to secure plans and estimates for a school building at Riverside, this committee to report at the annual meeting in March.

Article 4. To see if the town will vote to accept the legacy left under the will of Benj. L. Barr.

Article 5. To see if the town will vote to appropriate the sum of $9,270.00 for the purchase of a motor driven piece of apparatus with pump attachment for the fire department, $3,270.00 to be appropriated this year and notes of the town for $3,000 each to be issued payable annually as provided by chapter 719 section 5 of the Acts of 1913 or pass any vote or votes relative thereto.

Article 6. To see if the town will vote to increase the number of its school committee to six members as provided by the Revised Laws chapter 11, section 334 or take any other action thereon. On petition of Charles E. Stanwood and others.

And you are directed to serve warrants by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting, and also leave a copy at each of the several dwelling houses within the town.

Hereof fail not, and make due return of this warrant with your doings thereon, unto our town clerk, on or before said day and hour.

Given under our hands at Needham aforesaid, this seventeenth day of December, A. D. nineteen hundred and nineteen.

ROBERT B. HILL,
G. WALDO CRAWLEY,
SAMUEL H. WRAGG,
Selectmen of Needham.

OFFICER'S RETURN

NORFOLK, SS.

Needham, Jan. 2, 1920.

By virtue of this warrant, I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said town more than seven days before the time of holding said meeting, and by leaving a copy at each of of the several dwelling-houses, as within directed.

G. GILBERT TOONE,
Constable of Needham.

A true copy of warrant and officer's return.

Attest:

THOMAS SUTTON,
Town Clerk.

Record of Town Meeting

January 2, 1920.

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Friday, the second day of January, in the year one thousand nine hundred and twenty, at eight o'clock in the afternoon.

The meeting was called to order by the moderator.

Voted to omit reading of the warrant.

The return of the officer who notified and warned the inhabitants was read by the town clerk.

Article 1. Voted that the unexpended balances of 1919 be returned to the treasury and the deficiencies of 1919 paid therefrom.

Articles 2 and 3. Voted that the subject matter of articles two and three of the warrant be referred to a committee of seven to be appointed by the moderator, who shall make a thorough and complete investigation of school house conditions, who shall visit all the school buildings in the town, who shall ascertain the seating capacity, attendance, probable growth, the territory served by each school, make an inspection of the cleanliness of the buildings and of their sanitary conditions, and report their finding to the town at the annual March meeting, together with their recommendations as to changes, enlargements and construction as will, in their judgment, meet the needs of the town and improve school conditions throughout the town.

The moderator appointed to serve on said committee Charles E. Stanwood, Alfred Parker, J. Frank Buckley, Robert Fockens, John M. Boyd, David Murdock and Henry Godfrey, Jr.

Article 4. Voted that the town accept the legacy given it under the will of the late Benjamin L. Barr.

Article 5. Voted that the town appropriate the sum of nine thousand two hundred and seventy dollars ($9,270.) for the purchase of a motor driven piece of apparatus with pump attachment for the fire department.

Article 6. Voted that the town increase its school committee to six persons; and that at the next annual town meeting there be elected two members for a term of three years each, one for a term of two years and

one for a term of one year; and that thereafter there be elected annually two members for a term of three years each.

Voted that this meeting be dissolved.

Dissolved.

Attest:

THOMAS SUTTON,
Town Clerk.

Warrant for Annual Town Meeting

ELECTION MARCH 8, Polls open 5.45 A. M.
BUSINESS MEETING MONDAY, MARCH 15, 7 P. M.
TOWN WARRANT FOR MONDAY, MARCH 8, 1920.

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, SS.

To either of the constables of the Town of Needham, in said County, GREETING:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Needham, qualified to vote in elections and in town affairs, to meet at the town hall in said town, on Monday, the eighth day of March next, at five forty-five in the forenoon, then and there to act upon the articles hereinafter contained.

The polls will be opened at said hour and may be closed at four o'clock in the afternoon.

Article 1. To elect by ballot the following town officers: One Moderator for one year, one Town Clerk for one year, three Selectmen for one year, one Overseer

of the Poor for three years, one Assessor for three years, one Town Treasurer for one year, one Collector of Taxes for one year, two Constables for one year, two Members of the School Committee for three years, one Member of the School Committee for two years, one Member of the School Committee for one year, one Water Commissioner for three years, two Trustees of the Public Library for three years, one Park Commissioner for three years, one Tree Warden for one year, three Members of the Finance Committee for three years, and to vote "Yes" or "No" upon the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

Article 2. To choose or appoint all other necessary town officers, not elective, in such manner as the town may determine.

Article 3. To hear and act on the reports of town officers and committees.

Article 4. To see what disposition the town will make of the money received for dog licenses.

Article 5. To act upon the appropriations asked for or proposed by the Selectmen or any town officers or committees for the necessary town charges and expenses.

Article 6. To see if the town will vote to authorize the treasurer, with the approval of the Selectmen, to borrow money in anticipation of the revenue of the current financial year.

Article 7. To see what action the town will take in regard to the pay of town officers.

Article 8. To see what action the town will take in regard to fixing the compensation of the tax collector, and see how the town will have its taxes collected for the current year.

Article 9. To see what sum of money the town

will appropriate for the extension of the water mains and water plant and property or for other necessary expenses and liabilities incurred under provisions of Chap. 107 of the Acts of 1888 and any acts in amendment and addition thereto, or pass any vote or votes relative thereto.

Article 10. To see if the town will vote to issue notes or bonds of the town for a sum not exceeding $6,000, for the purpose of financing the purchase of motor apparatus for the fire department as voted at the town meeting January 2, 1920; Said notes or bonds to be issued as provided by Chapter 719, Sec. 5, of the Acts of 1913, $3,000 payable in one year, and $3,000 payable in two years, or pass any vote or votes relative thereto.

Article 11. To see if the town will vote to authorize the Fire Department engineers with the approval of the Selectmen, to sell or dispose of the two combination fire apparatus wagons, and one hose wagon, and appropriate the receipts from same to purchase an automobile for use of the Chief of the Fire Department, or pass any vote or votes relative thereto.

Article 12. To see if the town will vote to purchase a lot of land for the purpose of erecting a Municipal Building and Central Fire Station thereon, and appropriate money therefor.

Article 13. To see if the town will vote to have a committee appointed to secure plans and specifications for a Municipal Building and Central Fire Station, and make an appropriation for use of committee, or pass any vote or votes relative thereto.

Article 14. To see what sum the town will appropriate for overdrafts of 1919.

Article 15. To see what disposition the town will

make of unexpended balances of 1919, including balance of Park Commission Options.

Article 16. To see what sum the town will appropriate for unpaid bills of 1919.

Article 17. To see what action the town will take regarding unexpended balances for the current year.

Article 18. To see if the town will appropriate the sum of $568.21 for the abatement of 1917 taxes.

Article 19. To see what sum of money the town will appropriate towards the maintenance of the Glover Home and Hospital for the current year.

Article 20. To see what action the town will take on the report of the committee authorized at the special town meeting January second, to consider the needs of the schools and pass any vote or votes relative thereto.

Article 21. To see if the town will vote to purchase a tract of land from Nellie A. Richwagen, comprising about ten acres, at the corner of Rosemary street and the east side of Highland avenue, for a "Memorial Park," and appropriate money therefor, or pass any vote or votes relative thereto.

Article 22. To see if the town will vote to purchase a strip of land from Arthur W. Rohn and others, to be used for a "right of way" between Kingsbury street and the south side of the Richwagen property, and build a street thereon, and appropriate money therefor, or pass any vote or votes relative thereto.

Article 23. To see if the town will vote to authorize the town treasurer with the approval of the Selectmen, to issue the notes or bonds of the town to an amount not exceeding $17,500, for a period not exceeding fifteen years. The proceeds thereof to be used for the purchase

of the "Richwagen" property, also to purchase land for a "right of way" from Kingsbury street to the "Richwagen" property, and build a street thereon or pass any vote or votes in relation thereto.

Article 24. To see if the town will accept the relocation and widening of Webster street between Highland avenue and railroad, as laid out by the selectmen according to plans on file with the Town Clerk.

Article 25. To see if the town will vote to appropriate the sum of $1,500 for the construction of Webster street as relocated.

Article 26. To see if the town will appropriate the sum of $826.74 to reimburse the High Rock street appropriation, on account of drain constructed on Marked Tree road.

Article 27. To see what sum of money the town will appropriate for the lowering of the culvert at Marked Tree road, and lowering the waterway towards Chestnut Street.

Article 28. To see if the town will vote to accept Greenwood avenue from Great Plain avenue to a distance of 1,000 feet, as laid out by the Selectmen under Chapter 50 of the Revised Laws, according to plans on file with the Town Clerk.

Article 29. To see if the town will appropriate the sum of $3,000 for the construction of Greenwood avenue, under provisions of Chapter 50 of the Revised Laws, on petition of Ralph J. Hunter and others.

Article 30. To see if the town will vote to accept Mayo avenue from Great Plain avenue to Harris avenue, as laid out by the Selectmen under Chapter 50 of the Revised Laws, according to plans on file with the Town Clerk.

Article 31. To see if the town will appropriate the sum of $3,000 for the construction of Mayo avenue, under provisions of Chapter 50 of the Revised Laws, on petition of James H. Cook and others.

Article 32. To see if the town will vote to accept Otis street from Webster street to Manning street, as laid out by the Selectmen, under Chapter 50 of the Revised Laws, according to plans on file with the Town Clerk.

Article 33. To see if the town will appropriate the sum of $2,000 for the construction of Otis street, under provisions of Chapter 50 of the Revised Laws, on petition of I. C. Judkins and others.

Article 34. To see if the town will vote to discontinue the old road leading from Nehoiden street to Central avenue by the site of the old meeting-house, on petition of George K. Clarke and others.

Article 35. To see if the town will vote to discontinue the town way known as Day street running from High Rock to South street, on petition of Robert H. Gardiner, Jr., and others.

Article 36. To see if the town will vote to instruct the Selectmen to install three street lights on a way called Brookline street east of Manning street, on petition of Fred A. Meyer and others.

Article 37. To see if the town will vote to instruct the Selectmen to install a street light on Crescent road at the lower end, on petition of H. Martin and others.

Article 38. To see if the town will vote to authorize the Selectmen to install one or more street lights on a way called Harris avenue between Mayo avenue and Coulton Park, on petition of Julius F. Haller and others.

Article 39. To see if the town will vote to author-

ize the Selectmen to install two street lights on a way called Fair View road, on petition of Charles G. Robinson and others.

Article 40. To see if the town will vote to rebuild or repair Hillside avenue between West street and Rosemary street, to appropriate money therefor and pass any votes relative thereto, on petition of William C. Payne and others.

Article 41. To see if the town will vote to rebuild the retaining wall on the easterly side of Hillside avenue south of E. E. Dailey's estate, to appropriate money therefor and pass any votes relative thereto, on petition of William C. Payne and others.

Article 42. To see if the town will vote to amend the town by-laws, Article 1, Section 1, so same will read, "The annual town meeting for the election of officers and such other matters as may be voted for on the official ballot shall be held on the second Monday, and the annual meeting for the transaction of business shall be held on the third Monday of March each year."

Article 43. To see if the town will vote to elect its Selectmen for the period of three years, and at the next annual meeting of the town to elect one for three years, one for two years, and one for one year, on petition of J. Walter Schirmer and others.

Article 44. To see if the town will appropriate the sum of $2,859.12, the apportionment of the cost of maintenance for the year 1919, of the Norfolk County Hospital, as authorized by Chapter 286, General Acts of 1916.

Article 45. To see if the town will instruct the Selectmen to install a fire alarm box on Crescent road, near Mr. Martin's house, on petition of H. Martin and others.

Article 46. To see if the town will vote to have the reports of its officers and the proceedings of this and other town meetings printed and distributed.

Article 47. To see if the town will vote to have the Assessors' list printed and distributed, or pass any vote or votes relative thereto.

Article 48. To see if the town will vote to instruct the Water Commissioners to change the water rates or pass any vote or votes relative thereto on petition of the Water Commissioners.

Article 49. To appropriate and raise, by borrowing or otherwise such sums of money as may be necessary for all or any of the purposes mentioned in the foregoing articles, and to act upon all the appropriations asked for or proposed by the Selectmen or by any town officer or committee.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town at least seven days before the time of said meeting, and also leave a copy at each of the several dwelling houses within the town.

Hereof fail not, and make due return of this warrant with your doings thereon, unto our Town Clerk, on or before said day and hour.

Given under our hands at Needham aforesaid, this seventeenth day of February, A. D. nineteen twenty.

ROBERT B. HILL,
G. WALDO CRAWLEY,
SAMUEL H. WRAGG,
Selectmen of Needham.

Vote of town: "The annual town meeting for the

election of officers and such other matters as may be voted for on the official ballot shall be held on the second Monday, and the annual meeting for the transaction of business shall be held on the third Monday of March each year."

OFFICER'S RETURN

NORFOLK, SS.

Needham, Feb. 28, 1920.

By virtue of this warrant, I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in not less than twenty public places in said town more than seven days before the time of holding said meeting, and by leaving a copy at each of the several dwelling-houses, as within directed.

GEORGE TWIGG,
Constable of Needham.

A true copy of warrant and officer's return.
Attest:
THOMAS SUTTON,
Town Clerk.

Record of the Annual Town Meeting

MARCH 8, 1920

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Monday, March 8, A. D. 1920, at forty-five minutes past five o'clock in the forenoon.

The meeting was called to order by the moderator.

Voted to omit reading the articles in the warrant.

The town clerk read the return of the officer who notified and warned the inhabitants.

Article 1. Voted to proceed to vote for the following town officers: One Moderator for one year, one Town Clerk for one year, three Selectmen for one year, one Overseer of the Poor for three years, one Assessor for three years, one Town Treasurer for one year, one Collector of Taxes for one year, two Constables for one year, two Members of the School Committee for three years, one Member of the School Committee for two years, one Member of the School Committee for one year, one Water Commissioner for three years, two Trustees of the Public Library for three years, one Park Commissioner for three years, one Tree Warden for one year, three Members of the Finance Committee for three years, and to vote "Yes" or "No" upon the following question: "Shall licenses be granted for the sale of intoxicating liquors in this town?"

The Selectmen having appointed James Ford, Wil-

liam A. Parks, James F. Ryan and Alden T. Williams as ballot clerks, they were sworn by the Town Clerk.

The ballots prepared for use at this election by the Town Clerk were then delivered by him to the ballot clerks and their receipt taken therefor.

Cards of instructions and specimen ballots were then posted as required by law.

The ballot box furnished by the commonwealth for use at elections was publicly opened by the moderator and shown to be empty. The box was then locked and the key delivered to George Twigg, the officer in attendance.

The polls were opened at fifty minutes past five o'clock in the forenoon, and were kept open until eight o'clock in the afternoon, when, as the meeting had previously voted, they were closed.

Additional tellers were appointed by the moderator and sworn by him, viz: Willis L. Brownville, Edwin R. Packard, Arthur F. Fitzgerald, Clarence R. Keith, Harry E. Walker, John F. Gilfoil, Walter H. Mills, Joseph P. Wright, Wm. C. Payne, Winthrop M. Southworth, Arthur W. Gordon and Howard A. Crossman.

As the ballots were taken from the box they were audibly counted by the moderator, the whole number being 1,106. The whole number cast by men voters was 1,033; the whole number cast by women voters was 73.

A canvass of all the votes given was made as required by law, the blanks furnished by the secretary of the commonwealth being used.

Upon the completion of the canvass of all votes cast, the result of the voting was declared by the Moderator to be as follows, viz:

FOR MODERATOR

William G. Moseley, 34 Dedham avenue	879
Blanks	154

and William G. Moseley was declared elected moderator for one year and sworn by the town clerk.

FOR TOWN CLERK

Thomas Sutton, 130 Warren street	891
Blanks	142

and Thomas Sutton was declared elected town clerk for one year and was sworn in open town meeting by the moderator.

FOR SELECTMEN

Harry L. Thompson, Marked Tree road	420
George E. Wragg, 118 West street	322
Blanks	296

and Allston R. Bowers, G. Waldo Crawley and Frank W. Gorse were declared elected selectmen for one year.

For ASSESSOR for Three Years

George W. Holt, 67 Pickering street	544
Frederick D. Sutton, 18 Linden street	414
Blanks	75

and George W. Holt was declared elected assessor for three years.

For OVERSEER OF THE POOR for Three Years

Alfred T. Baker, 868 Great Plain avenue	808
Blanks	225

and Alfred T. Baker was declared elected overseer of the poor for three years.

For TOWN TREASURER

Charles E. Stanwood, 133 Hillside avenue	840
Blanks	193

and Charles E. Stanwood was declared elected Treasurer for one year.

For COLLECTOR OF TAXES

John L. Twigg, 14 Maple terrace	866
Blanks	167

and John L. Twigg was declared elected collector for one year.

For CONSTABLES

G. Gilbert Toone, 161 Hillside avenue	771
George Twigg, 767 Webster street	833
Blanks	462

and G. Gilbert Toone and George Twigg were declared elected constables for one year.

For TREE WARDEN

George Twigg, 767 Webster street	818
Blanks	215

and George Twigg was declared elected tree warden for one year.

For SCHOOL COMMITTEE for Three Years.

James A. Ackroyd, Great Plain avenue	815
Francis J. Stanwood, 805 Great Plain avenue	815
Blanks	592

and James A. Ackroyd and Francis J. Stanwood were declared elected school committee for three years.

For SCHOOL COMMITTEE for Two Years.

Arthur G. Johnson, 143 Manning street	731
Blanks	375

and Arthur G. Johnson was declared elected school committee for two years.

For SCHOOL COMMITTEE for One Year.

J. Walter Schirmer, Great Plain avenue	412
Harold R. Waining, 184 Webster street	541
Blanks	153

and Harold R. Waining was declared elected school committee for one year.

For WATER COMMISSIONER for Three Years

Philip A. Rand, 71 Warren street	762
Blanks	271

and Philip A. Rand was declared elected water commissioner for three years.

For TRUSTEES OF PUBLIC LIBRARY for Three Years.

George K. Clarke, Nehoiden street	764
Austin H. Keyes, 105 Rosemary street	751
Blanks	551

and George K. Clarke and Austin H. Keyes were declared elected trustees of Public Library for three years.

For PARK COMMISSIONER for Three Years

Preston Mitchell, 459 Highland avenue	820
Blanks	213

and Preston Mitchell was declared elected park commissioner for three years.

For FINANCE COMMITTEE for Three Years.

Arthur G. Curren, 756 Webster street	754
Walter E. Lovering, Marked Tree road	737
Alfred Parker, 41 Marked Tree road	721
Blanks	887

and Arthur G. Curren, Walter E. Lovering and Alfred Parker were declared elected finance committee for three years.

Upon the question, "Shall Licenses be granted for the Sale of Intoxicating Liquors in this Town?" the result was as follows, viz.:

Yes	492
No	474
Blanks	67

After the result of the voting had been declared, the ballots cast, the undistributed ballots, and also the check lists were sealed up, endorsed by the election officers and placed in the custody of the Town Clerk.

Voted to adjourn to Monday evening, March 15, 1920 at 7 o'clock.

Adjourned.

Attest:

THOMAS SUTTON,

Town Clerk.

Adjourned Annual Town Meeting

MARCH 15, 1920.

Pursuant to adjournment, the inhabitants of the town of Needham qualified to vote in town affairs, met in the town hall in said town, on Monday, March 15, 1920, at seven o'clock in the afternoon.

William G. Moseley, moderator, in the chair.

Article 2. Under this article the following town officers were elected:

Highway Surveyors and Town Agents—Frank W. Gorse, G. Waldo Crawley, Allston R. Bowers.

Surveyors of Lumber—Alfred Parker, Howard A. Flewelling.

Measurers of Wood and Bark—James H. Whetton, Joseph Willett, Patrick J. Reid, Armand J. Mathey.

Public Weighers—Joseph Willett, James H. Whetton, Armand J. Mathey, Arthur H. Whetton, Isaac Warren, John R. Nichols, Alexander McKay, Nellie Burkett, Elizabeth G. Ryan.

Sealer of Weights and Measures—William H. Stanton.

Article 2. Voted that the Selectmen and William P. Bailey serve for one year, without pay, to represent the town in all matters pertaining to public transportation, with authority to employ counsel, said committee to report to the town in writing not later than the next annual meeting.

Article 3. Voted that the report of the Finance Committee be accepted and placed on file.

Voted that the report of the transportation committee be received and placed on file.

Article 4. Voted that the money received from dog licenses, six hundred and ten dollars and seventy-two cents ($610.72) be appropriated for the use of the public library.

Article 5. The following appropriations were made under this article, each item being voted on separately viz:

For Selectmen's department, seven hundred and fifty dollars ($750.).

For Accounting Department, salary nine hundred dollars ($900.).

For Accounting Department, incidental expenses, one hundred dollars ($100.).

For Treasurer's Department, nine hundred and twenty-five dollars ($925.).

For Tax Collector's Department, fourteen hundred dollars ($1,400.).

For interest on temporary loans, five thousand dollars ($5000.).

For interest on general loans, seven thousand two hundred and eighteen dollars and fifty cents ($7,218.50).

For municipal indebtedness, nineteen thousand four hundred dollars ($19,400.).

For Avery school playgrounds, four hundred dollars ($400.).

Voted, that the water commissioners be instructed to pay the town accountant three hundred and fifty dollars for keeping the accounts of the water department for the year 1920, the same to be paid out of the revenue of the water department.

Article 6. Voted unanimously that the town treasurer, with the approval of the selectmen, be and hereby is au-

thorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1920, and to issue a note or notes therefor payable within one year; any debt or debts incurred under this vote to be paid from the revenue of said financial year.

Article 7. Voted, that the salaries of town officers be the same as in 1919, except that the salary of the town clerk be two hundred and fifty dollars and a sum equal to the fees collected by him.

Article 9. Dismissed.

Article 20. "Report of the committee to investigate school house conditions in Needham" was read by Mr. Charles E. Stanwood, chairman.

The report was accepted and the recommendations contained therein adopted, viz.:

First, that the school committee of the town prepare estimates of the cost of the repairs and changes herein recommended and not included in the school budget for the year and report concerning said estimates at a special town meeting to be called not later than July 1, 1920, together with such recommendations as to the purchase of possible school sites and of additional ground adjoining the present school sites as the school committee is in a position to make at said meeting."

Second, that a special committee be chosen to secure plans, specifications and estimates of costs for the erection of a ten-room or more school building upon the site of the present old Avery school, and report concerning the same at a special town meeting to be called not later than July 1, 1920.

Voted, That a committee of five be appointed by the moderator to carry out the recommendations of part two.

Article 21 and 22. Voted unanimously that the town

appropriate the sum of seventeen thousand five hundred dollars ($17,500.) for the purchase of a tract of land for a Memorial Park from Nellie A. Richwagen, at the corner of Highland avenue and Rosemary street, comprising about ten acres. Also to purchase a strip of land forty feet wide from Arthur H. Rohn and others, to be used as a "right of way" between Kingsbury street and the South Side of the Richwagen property, and to build a street thereon. That the northwest corner of the Richwagen property be set apart for a site for a "Memorial building" to those who gave their services in the world war, as shown on the plans of Frederick J. Kingsbury and Clifford N. Cann, landscape architects.

Voted, that this meeting adjourn to Monday, March 22, 1920, at 7.45 o'clock P. M.

Adjourned.

Attest:

THOMAS SUTTON,

Town Clerk.

Adjourned Annual Town Meeting

March 22, 1920.

Pursuant to adjournment, the inhabitants of the town of Needham qualified to vote in elections and in town affairs, met in the town hall in said town, on Monday, March 22, 1920.

William G. Moseley, moderator, in the chair.

Article 5. Voted, that the sum of seven thousand dollars ($7000.) be appropriated for the removal of snow.

Article 8. Voted, that all poll and personal property taxes shall be payable on demand, and all other taxes on or before the first day of October. Interest at the rate of 6 per cent per annum shall be charged from October 15th, on all taxes not paid on or before the first day of November. The collector shall use the means provided by law for the collection of all taxes remaining unpaid after the first day of December.

(The above shall be printed on the tax bills.)

The collector of taxes shall have the same power which the treasurer would have when acting as collector.

If, in the judgment of the collector, in consequence of removal, or any other circumstance, any tax should be collected before the first of October, he is fully authorized to serve this warrant in the collection of such tax at any time.

The collector shall guarantee to collect the full amount of all taxes legally assessed and committed to him for collection (except such sums as may be abated by the assessors) and shall pay the said taxes together with the

accrued interest thereon over to the town treasurer from time to time as he collects the same, and shall pay the full amount of all taxes committed to him for collection, together with the accrued interest thereon, except such sums as may be abated, over to the town treasurer on or before April 1, 1921, and shall turn over his completed warrant, together with all papers relating to the same, to the town clerk not later than July 1, 1921.

The tax collector shall receive two-thirds of one per cent of the tax warrant for collection of the taxes for the year 1920, payable monthly as and when same are collected; this compensation shall include all expenses, except payment of bond.

Article 10. Voted, that the sum of six thousand dollars be raised by the issuance of notes of the town, and the town treasurer, with the approval of the selectmen, be and hereby is authorized to issue one note of the town for three thousand dollars payable in one year, and one note of the town for three thousand dollars payable in two years. Said notes to be issued as provided by Chapter 719, Section 5 of the Acts of 1913, and the proceeds used as part payment for motor apparatus for the fire department, the purchase of which was authorized at a town meeting held January 2, 1920.

Article 11. Voted, that the fire department engineers with the approval of the selectmen be and hereby are empowered and authorized to sell or otherwise dispose of two combination fire apparatus wagons and one hose wagon and appropriate the receipts therefrom to purchase an automobile for the use of the fire department.

Article 12. Dismissed.

Article 13. Dismissed.

Article 14. Voted, that the sum of three thousand seven hundred and sixty-seven dollars and ten cents ($3,767.10) be appropriated for the payment of over drafts of 1919.

Article 15. Voted, that all balances of unexpended appropriations for the year 1919, except balance unexpended by transportation committee and the balance of the High Rock street appropriation which is to be continued, be returned to the treasury, including the unexpended balance of one hundred ninety-seven dollars, appropriated to the park commissioners for securing options.

Article 16. Voted, that the sum of one thousand dollars ($1000.) be appropriated for the payment of unpaid bills of 1919.

Article 18. Voted, that the sum of five hundred and sixty-eight dollars and twenty-one cents ($568.21) be appropriated for the abatement of 1917 taxes.

Article 19. Voted, that the sum of fifteen hundred dollars ($1500.) be appropriated for the use of the Glover Home and Hospital for the year 1920.

Article 24. Voted, to accept the relocation and widening of Webster street between Highland avenue and the railroad as laid out by the selectmen according to plans on file with the town clerk.

Article 25. Voted, that the sum of fifteen hundred dollars ($1,500.) be appropriated for the construction of Webster street as relocated.

Article 26. Voted, that the sum of eight hundred and twenty-six dollars and seventy-four cents ($826.74) be appropriated to reimburse the High Rock street appropriation of 1919.

Article 27. Voted, that the sum of fifteen hundred dollars ($1500.) be appropriated for the purpose of lowering the culvert at Marked Tree road and lowering the waterway from Chestnut street in connection therewith.

Article 28. Voted, that the town accept Greenwood avenue from Great Plain avenue for a distance of one thousand feet as laid out by the selectmen under Chapter 50 of the Revised Laws, according to plans on file with the town clerk.

Article 29. Voted, that the sum of three thousand dollars ($3000.) be appropriated for the construction of Greenwood avenue from Great Plain avenue for a distance of one thousand feet as laid out by the selectmen under Chapter 50 of the Revised Laws according to plans on file with the town clerk.

Article 30. Voted, that the town accept Mayo avenue from Great Plain avenue to Harris avenue as laid out by the selectmen under Chapter 50 of the Revised Laws according to plans on file with the town clerk.

Article 31. Voted, that the sum of three thousand dollars ($3000.) be appropriated for the construction of Mayo avenue from Great Plain avenue to Harris avenue as laid out by the selectmen under Chapter 50 of the Revised Laws, according to the plans on file with the town clerk.

Article 32. Dismissed.

Article 33. Dismissed.

Article 34. Voted, that the old road leading from Nehoiden street to Central avenue by the site of the old meeting house, through land of Martha Ann Clarke, be discontinued.

Article 35. Voted, that the town road known as Day

street, running from High Rock street to South street be discontinued.

Article 36. Voted, that the town authorize the selectmen to install three street lights on a way called Brookline street east of Manning street.

Article 37. Voted, that an additional light be installed on Crescent road under direction of the selectmen and the expense charged against the appropriation for street lighting.

Article 38. Voted, that the selectmen be authorized to install two street lights on Harris avenue between Mayo avenue and Coulton Park.

Article 39. Voted, that the selectmen be authorized to install two street lights on a way called Fair View road.

Article 40. Voted, that Hillside avenue be rebuilt between West and Rosemary streets and that the cost of the same be paid out of the general highway appropriation of 1920.

Article 41. Voted, to rebuild the retaining wall on the easterly side of Hillside avenue south of E. E. Dailey's estate, the same to be paid out of the general highway appropriation of 1920.

Article 42. Voted, that the town's by-laws be and hereby are amended by striking out Article 1, Section 1, and in place thereof inserting the following:

Article 1, Section 1. The annual town meeting for the election of officers and such other matters as may be voted on the official ballot shall be held on the second Monday of March each year, and the annual town meeting for the transaction of business shall be held on the third Monday of March each year.

Article 43. Dismissed.

Article 44. Voted, that the sum of two thousand eight hundred and fifty-nine dollars and twelve cents ($2,859.12) be appropriated for the payment of the town's assessment for the maintenance for the year 1919 of the Norfolk County Hospital.

Article 45. Voted, that a new fire alarm signal box be installed at the corner of Crescent road and Union street, and that the sum of one hundred and fifty-five dollars ($155.) be appropriated to pay the expense of purchase and installing the same.

Article 46. Voted, that the selectmen shall cause the financial and other reports of town officers and committees to be printed and distributed as soon as possible after the first day of January, 1921, and that the head of every department, board or committee authorized to expend money shall at the close of the fiscal year, furnish the town accountant, for incorporation in his annual report, a list of all outstanding liabilities of such board or committee, the same be submitted to competitive bidders.

Voted, that the town clerk cause to be printed official copies of the proceedings of this meeting, one of which he shall send to each officer of the town within two weeks after the final adjournment of this meeting, and shall deliver one copy to any voter or taxpayer in the town who may apply for it, and shall furnish copies of the record of each and every town meeting held during the year for printing, so that they may be bound with the annual report of the town officers.

Article 47. Voted, that the selectmen shall cause the valuation list to be printed in the same manner as in 1915 and shall deliver one copy to any voter or taxpayer who may apply for the same.

Article 48. Motion under this article voted down unanimously.

Article 49. No action taken.

At 11 o'clock P. M. voted, that this meeting be dissolved.

Dissolved.

Attest:

THOMAS SUTTON,

Town Clerk.

THE COMMONWELATH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Needham, Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in the Town Hall, Tuesday, the twenty-seventh day of April, 1920, at four o'clock, p.m., for the following purposes:

To bring in their votes to the Primary Officers for the election of candidates of political parties for the following offices:

Four delegates at large to the National Convention of the Republican Party.

Four alternate delegates at large to the National Convention of the Republican Party.

Four delegates at large to the National Convention of the Democratic Party.

Four alternate delegates at large to the National Convention of the Democratic Party.

Two district delegates to the National Convention of the Republican Party, 13th congressional district.

Two alternate district delegates to the National Convention of the Republican Party, 13th congressional district.

Two district delegates to the National Convention of the Democratic Party, 13th congressional district.

Two alternate district delegates to the National Convention of the Democratic Party, 13th congressional district.

The polls will be open from four o'clock to eight o'clock, p.m.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not to make return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands this thirteenth day of April, A.D., 1920.

F. W. GORSE,
G. WALDO CRAWLEY,
ALLSTON R. BOWERS,
Selectmen of Needham.

OFFICER'S RETURN

Norfolk, ss.

Needham, April 9, 1920.

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town more than seven days before the time of holding said meeting.

G. GILBERT TOONE,
Constable of Needham.

A true copy of warrant and officer's return.

Attest:

THOMAS SUTTON,
Town Clerk.

RECORD OF STATE PRIMARY FOR THE ELECTION OF DELEGATES

April 27, 1920

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in primaries was held in said town on Tuesday, the twenty-seventh day of April, in the year one thousand nine hundred and twenty, at four o'clock in the afternoon, for the purpose of electing delegates to the National Conventions of the several political parties.

The meeting was called to order by Frank W. Gorse, Chairman of the Board of Selectmen.

The warrant and officer's return was read by the Town Clerk.

The Selectmen having appointed Jeremiah F. Buckley, William A. Parks and James F. Ryan as ballot clerks, they were severally sworn by the Town Clerk.

The ballots received from the Secretary of the Commonwealth were delivered to the ballot clerks and their receipt taken therefor.

Cards of instruction and specimen ballots were posted as required by law.

The ballot box was publicly opened and shown to be empty, then locked and the key given to G. Gilbert Toone, officer in attendance at the polls.

The polls were opened for the reception of ballots at two minutes past four in the afternoon ,and were kept open until eight o'clock in the evening.

Additional tellers were appointed by the presiding officer, viz.: William P. McEvoy, John W. Marriott, William J. Gilfoil, William C. Payne, and Henry Godfrey, Jr., and were severally sworn by the Town Clerk.

At the close of the polls the ballot register stood at 375.

As the ballots were taken from the box they were audibly counted by the presiding officer and announced as 375, which agreed with the check lists kept by the ballot clerks. Nine Democratic and three hundred and sixty-six Republican.

A canvass of all the votes cast was made, the whole number being duly sorted and recorded, and public announcement was made by the Town Clerk and was as follows, viz.:

REPUBLICAN PARTY

Delegates at Large

Henry Cabot Lodge, Nahant	263
Frederick H. Gillett, Springfield	222
W. Murray Crane, Dalton	205
Edward A. Thurston, Fall River	169
Louis A. Frothingham, Easton	165

Alvan T. Fuller, Malden	107
Thomas W. Lawson, Scituate	37
Samuel W. McCall, Winchester	120
Russell A. Wood, Cambridge	42

Alternate Delegates at Large

Butler Ames, Lowell	251
Chandler Bullock, Worcester	245
Gurdon W. Gordon, Springfield	243
Butler R. Wilson, Boston	243

District Delegates (13th District)

John H. Sherburne, Brookline	214
Thomas W. White, Newton	155
Frank H. Fales, Framingham	85
William F. Garcelon, Newton	157
James G. Wolff, Boston	28

Alternate District Delegates (13th District)

William W. Ollendorff, Medway	102
Benjamin Loring Young, Weston	211
Howard A. Crossman, Needham	260

DEMOCRATIC PARTY

Delegates at Large

David I. Walsh, Fitchburg	9
Richard H. Long, Framingham	7
Joseph C. Pelletier, Boston	8
Daniel F. Doherty, Westfield	6
Joseph F. O'Connell, Boston	1
Samuel W. McCall, Winchester	1
Richard Olney	1

Alternate Delegates at Large

Susan W. Fitzgerald, Boston	8
Mary A. Carson, Pittsfield	6
Mary Keegan Shuman, Boston	6
Helen G. Thayer, Worcester	6

District Delegates (13th District)

Daniel H. Coakley, Boston	8
Martin T. Hall, Natick	6
Patrick J. Duane, Waltham	2

Alternate District Delegates (13th District)

Daniel J. Daley, Brookline	7
Frank P. O'Donnell, Marlborough	6

The business of the meeting being completed, all the ballots cast and the undistributed ballots were sealed up and endorsed by the election officers and placed in the custody of the Town Clerk.

At 9.30 p.m. voted that this meeting be dissolved.

Dissolved.

Attest: THOMAS SUTTON,
Town Clerk.

WARRANT FOR SPECIAL TOWN MEETING

Wednesday, June 30, 1920

COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To G. Gilbert Toone, Constable of the Town of Needham, In said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Needham, qualified to vote in elections and town affairs, to meet at Town Hall in said town, on Wednesday, the thirtieth day of June, at eight o'clock in the afternoon, then and there to act upon the following articles, viz.:

Article 1. To hear and act on the reports of Town Officers and Committees.

Art. 2. To see if the town will accept and allow the taking by eminent domain proceedings, of land of Nellie A. Richwagen, in accordance with the boundaries and measurements of the same, as filed in the office of the Town Clerk, for the purposes of a Memorial Field and Memorial Building to properly commemorate the services and sacrifices of the soldiers, sailors and marines who served the country in war, and to appropriate money for the acquisition thereof; said taking to be made under the Acts of 1920, Chapter 292; Acts of 1919, Chapter 61; as governed by the Acts of 1915, Chapter 263.

Art. 3. To see if the town will accept and allow the taking by eminent domain proceedings of land of Charles E. Johnston, in accordance with the boundaries and measurements of the same, as filed in the office of the Town Clerk, for the purpose of a town way, and to appropriate money for the acquisition thereof; said taking to be made under the General Acts of 1917, Chapter 344.

Art. 4. To hear the report of the Special Committee, appointed to procure plans for a New Avery Primary School and to take action thereon, and to appropriate such sum of money as may be necessary to carry out the recommendations of the Committee, or pass any vote or votes relative thereto.

Art. 5. To see if the town will vote to authorize the Town Treasurer with the approval of the Selectmen to issue the bonds or notes of the town to an amount not exceeding $170,000, and for a period not exceeding twenty years, the proceeds thereof to be used for the construction of the New Avery Primary School at Needham Heights or pass any vote or votes relative thereto.

Art. 6. To see if the town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow on temporory loan, such sums of money as may be necessary in anticipation of issuing its New Avery Primary Schoolhouse Bonds, the same to be paid therefrom.

Art. 7. To see what sum of money the town will appropriate for special repairs to schoolhouses.

Art. 8. To see what sum of money the town will appropriate for the maintenance of schools.

Art. 9. To see what sum of money the town will appropriate for the maintenance of the Fire Department.

Art. 10. To see if the town will vote to accept Chapter 436 of the General Acts of 1920 relative to the inspection of buildings for the prevention of fire.

Art. 11. To see what sum of money the town will appropriate for the maintenance of the Police Department.

Art. 12. To see what sum of money the town will appropriate for deficiencies of 1919.

Art. 13. To see if the town will appropriate money to paint the woodwork, on the outside of the Public Library Building and to put in order the clock on said building.

Art. 14. To see if the town will authorize the Selectmen to construct a drain, along Highland Avenue, from a point near Christ Church to Carey Place, to the railroad according to a plan submitted by John E. Titus, C. E., and appropriate necessary money therefor, or take any other action relating thereto:—on petition of Horace A. Carter and others.

Art. 15. To see if the town will vote to accept Chapter 240 of the General Acts of 1920 relative to the playing of base ball and other sports on the Lord's Day:—on petition of Alden T. Williams and others.

And you are directed to serve this warrant by posting attested copies thereof in not less than twenty public places in said town, at least seven days before the time of said meeting, and also leave a copy at each of the several dwelling houses within the town.

Hereof fail not and make due return of this warrant, with your doings thereon, unto our Town Clerk, on or before said day and hour.

Given under our hands at Needham, aforesaid, this eighteenth day of June, A.D. nineteen hundred and twenty.

[SEAL]

FRANK W. GORSE,
ALLSTON R. BOWERS,
G. WALDO CRAWLEY,
Selectmen of Needham.

OFFICER'S RETURN

Norfolk, ss.

Needham, June 30, 1920.

By virtue of this warrant, I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town more than seven days before the time of holding said meeting, and by leaving a copy at each of the several dwelling-houses, as within directed.

G. GILBERT TOONE,
Constable of Needham.

A true copy of warrant and officer's return.

Attest:

THOMAS SUTTON,
Town Clerk.

RECORD OF SPECIAL TOWN MEETING

June 30, 1920

Pursuant to the foregoing warrant a meeting of the inhabitants of the town of Needham, qualified to vote in elections and in town affairs, was held in the town hall in said town, on Wednesday, June 30, 1920, at eight o'clock in the afternoon.

The meeting was called to order by the moderator.

Voted to omit reading the warrant.

The Town Clerk read the return of the officer who notified and warned the inhabitants.

Article 1. No action.

Art. 2. Voted that the sum of twenty thousand ($20,000) dollars be appropriated for the acquisition of land of Nellie A. Richwagen in accordance with the boundaries and measurements of the same as filed in the office of the Town Clerk for the purposes of a Memorial Field to properly commenorate the services and sacrifices of the soldiers, sailors and marines who served the country in war, and to allow the taking by proceedings of eminent domain by the selectmen as made by them under

the Acts of 1920, Chapter 292, Acts of 1919, Chapter 61, as governed by the Acts of 1915, Chapter 263.

One hundred and twenty-five voted in the affirmative and one against.

Art. 3. Motion under this article lost.

Art. 4. *Voted* that the report of the special committee appointed to procure plans for a new Avery Primary School be accepted and the committee discharged (with thanks of the town).

Voted that the the sum of $170,000 be appropriated, to construct and furnish a new school building on lot of old Avery School, according to plans submitted and accepted by the town.

Voted that the committee appointed to secure plans for a new Avery School building, be and are hereby constituted a building committee, and authorized to proceed with the construction to be commenced not later than March 1, 1921.

Art. 5. *Voted* unanimously that the town issue serial bonds or notes to the amount of one hundred and seventy thousand dollars, to be dated January 1, 1921, and bear interest at a rate not exceeding six per cent per annum interest payable semi-annually on the first day of July and the first day of January in each year, said bonds or notes to mature and be payable eighty-five hundred dollars each year for a period of twenty years. Said bonds or notes to be issued under and according to the provisions of Section 5, Chapter 719 of Acts of 1913 as amended. Said bonds to be designated, Avery Primary School Loan.

Voted that the selectmen be instructed to secure the necessary legislation to allow the town to borrow outside the present debt limit for the purpose of constructing this building (New Avery School) if necessary.

Art. 6. *Voted* that the Town Treasurer be authorized, with the approval of the selectmen, to borrow on temporary loan such sums of money as may be necessary in anticipation of issuing its Avery Primary School Loan, same to be paid therefrom.

Art. 7. *Voted* that the sum of $3,500 be appropriated for special repairs to schoolhouses, same to be expended according to report of the Finance Committee's recommendation.

Art. 8. *Voted* that the sum of $1,750 be appropriated for the maintenance of schools.

Art. 9. *Voted* that the sum of $1,660 be appropriated for the maintenance of the Fire Department.

Art. 10. *Voted* that Chapter 436 of the General Acts of the Legislature of 1920, relative to the inspection of buildings for the prevention of fire, be and hereby is accepted by the town.

Art. 11. *Voted* that the sum of $2,150 be appropriated for the maintenance of the Police Department.

Art. 12. *Voted* that the sum of $800 be appropriated to pay deficiencies of the year 1919.

Art. 13. *Voted* that the sum of $300 be appropriated for defraying the expense of painting the outside woodwork of the public library building.

Voted that the sum of $25 be appropriated to paint the dials of the library clock where necessary.

Art. 14. *Voted* that the selectmen are hereby directed to construct a drain along Highland Avenue from a point near Christ Church to and through Carey Place to the railroad, according to a plan submitted by John E. Titus C. E., same to be constructed under the provisions of Revised Laws, Chapter 49, and any Acts in addition and amendment thereto, provided suitable easements be first secured from private parties through whose land the drain shall be laid and over whose land the drainage shall flow; and that three thousand ($3,000) dollars be appropriated to pay the cost of constructing the same.

Art. 15. Dismissed.

Voted that this meeting be dissolved.

Dissolved.

(Seal) ALLSTON R. BOWERS

G. WALDO CRAWLEY,

Selectmen of Needham.

OFFICER'S RETURN

Norfolk, ss.

Needham, Nov. 2, 1920

By virtue of this warrant I have this day notified and warned the inhabitants of the town of Needham, to meet as within directed, by posting true and attested copies of this warrant in twenty public places in said town, more than seven days before the time of holding said meeting, and by leaving a copy at each of the several dwelling-houses as within directed.

G. GILBERT TOONE,
Constable of Needham

A true copy of warrant and officer's return.

Attest: THOMAS SUTTON,
Town Clerk

RECORD OF STATE ELECTION

November 2, 1920

In pursuance of the foregoing warrant the inhabitants of the town of Needham, qualified to vote in State Elections, met in the Town Hall on Tuesday, the second day of November, in the year one thousand nine hundred and twenty, at five forty-five o'clock in the forenoon, and were called to order by Frank W. Gorse, Chairman of the Board of Selectmen.

The warrant was read by the Town Clerk.

The Selectmen having appointed William C. Payne James Ford, William A. Parks, Mary E. Fitzgerald and J. Worth Brownville as ballot clerks, they were severally sworn by the Town Clerk.

The package containing the ballots received from the Secretary of the Commonwealth, was then delivered to the ballot clerks.

Cards of instruction and specimen ballots were posted as required by law.

The ballot box was publicly opened and shown to be empty, then locked and the key given to G. Gilbert Toone, officer in attendance at the polls.

The polls were open for the reception of ballots at forty-eight minutes past five o'clock in the forenoon and by vote was kept open till eight o'clock in the afternoon.

The following persons were appointed by the Selectmen as tellers, viz:—Roy W. Hall, Winthrop M. Southworth, Charles M. Donahue, John L. Whittier, John F. Kenney, Clarence S. Walker, E. Eugene Fairbanks, Edwin R. Packard, Arthur W. Littlehall, Helen W. Hall, Ann Williams, Leslie B. Cutler, Josephine M. Pidgeon, Margaret W. Wilmot, Lina P. Brownville, Adah G. Fuller and Margaret O. Chase, and they were severally sworn to the faithful performance of their duties by the Town Clerk.

As the ballots were taken from the box they were counted by the election officers and announced as twenty-four hundred and forty-six. Upon completion of the canvass of all votes cast, the whole number being sorted, counted and recorded, public announcement was made in open meeting by the Town Clerk and was as follows, viz:

NOTICE

The attention of parents is called to the law relating to the registering of births. The present requirements are as follows:

Chap. 29, Sec. 6, of the Revised Laws. Parents within forty days after the birth of a child * * * * shall cause notice thereof to be given to the clerk of the town or city in which such child is born.

Sec. 8. A parent * * * * who neglects so to do for ten days after the time limited therefor, * * * * shall forfeit not more than five dollars for each offense.

Attention of Physicians and Midwives is Called to Chapter 280, Sec. 1, Acts of 1912

Section 1. Physicians and midwives shall, within forty-eight hours after the birth of every child in cases of which they were in charge, mail or deliver to the clerk or registrar of the city or town in which the birth occurred, a notice stating the date and place of the birth, giving the street number, if any, the number of the ward in a city, and the family name. Failure to mail or deliver the said notice shall be punished by a fine not exceeding twenty-five dollars for each offense.

In accordance with the provisions of the law, the Town Clerk is prepared to furnish to parents, physicians, and midwives applying therefor, blanks for return of births as required by law.

MARRIAGES, 1920

Number of Marriages Registered 92

Jan.

1 Aloysius James Cregg, Boston; Helen Katherine Durbin, Needham; at Needham by Rev. Henry P. Walsh.

1 Joseph Irving Davis, Needham; Dorothy Stevens Sawtelle, Needham; at Needham by Rev. William J. Barnes.

8 Paul P. Bangs, Boston; Mary A. Lumsden, Needham; at Needham by Rev. T. Carwin Watkins.

25 James Richard Knowles, Needham; Dorothy Edith Millen, Needham; at Needham by Rev. M. Oakman Patton.

27 John Andrew Cosgrove, Needham; Emma Frances Richardson, Needham; at Needham by Rev. Henry A. Walsh.

30 Elmer Mills, Needham; Florence Emily Johnston, Needham; at Needham by Rev. William J. Barnes.

31 Joseph Brown Dawson, Newton; Marguerite Faust, Needham; at Needham by Rev. T. Carwin Watkins.

NOTICE

Persons who intend to be joined in marriage in this Commonwealth shall, not less than five days before their marriage, cause notice of their intention to be entered in the office of the clerk of registrars of the city or town in which they respectively dwell, or if they do not dwell within the Commonwealth, in the office of the clerk or registrar of the city or town in which they propose to have the marriage solemnized.

Chapter 151, Section 29, Revised Laws

If a marriage is solemnized in another state between parties living in this Commonwealth, who return to dwell here, they shall within seven days after their return, file with the clerk or registrar of the city or town in which either of them lived at the time of their marriage, a certificate or declaration of their marriage, including the facts relative to marriage which are required by law, and for neglect thereof shall forfeit ten dollars.

THOMAS SUTTON,
Town Clerk

REPORT OF SEALER OF WEIGHTS AND MEASURES

January 1, 1920.

Needham Board of Selectmen, Needham, Mass.:

Gentlemen:—I submit herewith the annual report of Sealer of Weights and Measures for year ending December 31, 1920:

All work and records pertaining to this department have been properly executed.

Seventy-nine inspections have been made and results are satisfactory.

Fees collected	$46.88
Uncollected	1.65
Amount turned over to Town Treasurer	46.88

The fees have been collected this year in accordance with list of legal fees as allowed by State Board, hence the amount is less than has been previously collected.

The various weighing and measuring devices in use by the merchants of this town have been found always in good condition.

Respectfully submitted,
WILLIAM H. STANTON,
Sealer of Weights and Measures.

AGENT'S REPORT

To the Needham Board of Health,

Gentlemen:—The following is my report as Agent and Milk Inspector for the year 1920:

THE WORK OF THE BOARD OF HEALTH

It is perhaps fitting that the work which the Board of Health is doing be reviewed at this time. The Board maintains a full-time trained agent and a full-time assistant with regular office hours from 8.30 a.m. to 5 p.m. These hours are strictly adhered to and the Agent frequently gives his time evenings and Sundays to carry on the work. The Board cares for all records of contagious diseases, receives reports from physicians, records, and transmits the same to the Department of Public Health. It quarantines cases of contagious disease where such action is necessary.

The Board also maintains a laboratory where the following examinations are made: cultures for diptheria, cultures for hemolytic streptococci, Widal test for typhoid, culture tests for typhoid (blood, stools and urine), sputa for tubercle bacilli, pus smears for gonococci, blood smears for malaria, spinal fluids for meningicocci; also detection of meningicoccus carriers.

The Board furnishes free of charge to the physician outfits for the above examinations and also maintains a supply of the following: diptheria antitoxin, small pox vaccine and silver nitrate solution. The Milk Inspector visits the dairies regularly and makes a monthly bacteriological and chemical examination of the milk supply. The water supply is also examined.

Complaints concerning nuisances are investigated and necessary action is taken as the case demands. The Board makes arrangements for admittance of tuberculosis cases to County and State Sanatoria. It also cares for cases of communicable disease in persons having settlement in Needham, but living in other towns.

A total of 365 cases of communicable diseases were reported to the Board during the year. Table No. 1 shows the monthly distribution of the cases, while Table No. 2 shows the cases reported during the ten-year period.

COMMUNICABLE DISEASES

Acute Anterior Poloimyelitis

Five cases of acute anterior poliomyelitis (infantile paralysis) were reported. Three of the cases received hospital care, but two were isolated at home.

Chichen Pox

A total of 11 cases of chicken pox were recorded during the year, showing a fairly even distribution during the months school was in session.

Diptheria

During the last half year, diptheria reports increased. A total of 11 cases occurred during the year. In conjunction with the school physicians two carriers were discovered in the Stephen Palmer school. Upon isolation of these cases, the outbreak subsided immediately. Four cases occurred in one home where conditions were such that proper isolation of the patient was not maintained, the result being successive cases of the disease. No deaths were due to diptheria.

Influenza

Coincident with the state wide outbreak of influenza, Needham also suffered. Two hundred and thirty-four cases were reported in January and February. The Board took special steps to secure additional nursing facilities to alleviate conditions. As trained care is essential in these cases it was deemed advisable to take such steps that the residents would receive this necessary care. Arrangements were made with the Hospital and Nursing Association whereby a visiting nurse was obtained.

Lobar Pneumonia

As in preceding outbreaks of influenza, lobar pneumonia reports also increased. Five were reported in January and four in February, making a total of nine for the year.

Measles

Up to August, 36 cases of measles were reported, but since that month no additional cases were brought to the attention of the Board.

Mumps

Fourteen cases of mumps, all occurring before September, were reported.

Scarlet Fever

In January of 1920, Needham had quite an outbreak of scarlet fever, 11 cases being reported in short intervals. All of the 11 cases received milk from the same dealer, but an investigation at the dairies supplying the dealer revealed nothing suspicious; the Agent ordered the supply pasteurized, however, and no further cases developed. The cases were distributed through all sections of the town. Children, especially those below school age, were reported. All cases showed the same period of incubation. A total of 20 cases were reported during the year, the majority being all recovered.

Tuberculosis

Seven new cases of tuberculosis were reported. Two of the cases are at Sanatoria, and applications for entrance have been made for two others.

Typhoid Fever

During the year, three cases of typhoid came to the attention of the Agent. One was a missed case and was discovered by the Agent when making an investigation. All cases were in children, two being in the same family. In this instance, drinking water was obtained from a well which subsequent examination proved to be badly polluted. The well was condemned and connection with the Town supply obtained. The third case gave the following history: a visit to a relative in a nearby town for a month's vacation—patient developed typhoid a few days after returning home. Investigation and examination of relative showed him to be a chronic carrier of typhoid bacilli. The relative three years ago had been obliged to give up a milk route as his supply had infected several people. He was proven at that time to be a carrier.

Laboratory Examinations

The laboratory made the following examination for physicians:

Diptheria cultures	112
Blood for typhoid	14
Sputa for tuberculosis	26

Blood for malaria	4
Smears for gonorrhea	3
Typhoid isolation (feces and urine)	2
Hemolytic streptococci	8
Special	3
Total	172

The details concerning these examinations are fully covered in the Agent's monthly reports to the Board.

Milk

The Agent in his capacity as Milk Inspector has made a monthly chemical and bacteriological analysis of the milk supplied by dealers and producers selling over twenty quarts. The results are shown in Tables Nos. 3 and 4. Milk during 1920 was apparently responsible for an outbreak of scarlet fever. Pasteurization of the supply, checked the outbreak. An epidemic of severe sore throats occurred during the early part of the year. Again milk seemed to be the cause of the outbreak, but careful examination of the milk, the supplying dairies, and handlers of the supply, failed to give any bacteriological findings to prove that the milk in question was the vehicle of infection. Other cities and towns suffered from similar outbreaks at the same time, but no known organism in the milk was found which could give rise to the illness.

Nuisances

During the year the Board received 45 complaints. The disposal of these complaints was covered in the Agent's monthly reports. It was necessary for the Agent to invoke legal force in two instances to secure healthful conditions. The majority of the complaints were justified. In one instance, owing to lack of legal power, the Board had no authority to correct an *annoyance* which did not strictly pertain to health. Acting on one complaint, arrangements were made for commitment of a person to a State Institution. The Agent wishes to thank the Board for its co-operation in this work which is one of the most difficult problems to confront the writer. Thanks are also due the Chief of Police for his kindness and help.

Vital Statistics

In Tables No. 5 and 6 the Agent has tabulated those statistics which are of interest to the sanitarian. A high Birth Rate, a low Infant Mortality Rate and a low Death rate are measures of the people's health. The low Infant Mortality Rate reflects the work being done by the District Nurse, and is to the sanitarian the best index of the hygienic condition of Needham.

Respectfully,

H. E. BERGER, Jr.,
Agent

REPORT OF THE SUPERINTENDENT OF FIRE ALARMS

To the Honorable Board of Selectmen:
Gentlemen:

On November 16 the fire alarm was placed in charge of the Chief of the Fire Department as superintendent, and it becomes my duty to submit the annual report of this department. Upon taking up the duties of this office I found it necessary to make a thorough examination of the system with an electrical expert, and found it to be in a very poor condition. A complete set of new elements had to be installed in the jars in the battery room, the old being so far gone they were almost worthless to the junk dealer. The tower striker at Charles River was found to be out of commission. Its failure to strike was caused by an obstruction found against the arm of the striker. On an examination of the line work a considerable number of cross arms were found to be so badly rotted that they were unsafe and about ready to fall.

These conditions have been remedied and the system is in good working order at the present time. This work was done by the permanent men of the Fire Department.

If for any cause we are deprived of the current furnished by the Middlesex Street Railway, even for a period of twenty four hours, the whole system would be useless, as this is the only means we have of charging the batteries, and I therefore recommend the installation of a motor generator set.

Two new boxes have been installed this year, one at the corner of Linden Street and Maple Terrace, and one at the corner of Union Street and Crescent Road. Box 82, at Charles River, has been replaced by one of the modern non-interfering type, the old one being worthless.

For the last three years a slate switchboard has been recommended for the battery room to take the place of the wooden one now in use. This matter should be attended to this year, as the present one is a menace to our Town Hall, inasmuch as it is a fire hazard.

I would further recommend that fire alarm boxes be installed on all schoolhouses and the hospital; this could be done by adding two boxes a year until completed.

Some wire and crossarms will have to be purchased this year.

Respectfully submitted,

H. HOWARD UPHAM,
Superintendent of Fire Alarm.

December 31, 1920.

REPORT OF THE FIRE DEPARTMENT

To the Honorable Board of Selectmen,
Gentlemen:

I herewith submit the thirty-fifth annual report of the Needham Fire Department.

During the year the Department has answered eighty-five alarms. It is gratifying to call your attention to the small fire loss of the past three years. This is largely due to the added motor equipment and the attendant permanent men.

I wish to acknowledge here my appreciation of the spirit shown by the permanent men. This has been demonstrated by their willingness to devote their spare time to the minor repairs to the motors, and painting and general repairs in the stations; all of which has resulted in a considerable saving to the town. The call men have responded willingly and have shown a generous interest in the Department in which they have done effective work.

All the apparatus and equipment is in excellent condition, except the hose, much of which is not in reliable condition, and also there is a serious shortage. At least eight hundred feet of double jacket hose should be purchased the coming year. The town voted in March to dispose of the horse-drawn wagons, but up to the present time I have been unable to get a reasonable offer for them. In January of this year the town voted to purchase a Triple Combination Pump. The committee in charge of this purchase, consisting of the Board of Selectmen and the Chief of the Fire Department, finally decided on a White. The machine was put through the Underwriter's test, which required it to deliver six hundred gallons of water per minute for four consecutive hours. At the end of the time limit it was delivering seven hundred and eighty gallons per minute. The machine was accepted and installed at the Heights on March 28, and has given perfect satisfaction. It answered its first alarm six hours after it was put in commission. Through the purchase of this machine and the compressed air whistle the town has been placed in Class " B " by the New England Insurance Exchange, and the town is

now enjoying the benefits of this improved rating. I wish at this time to recommend a motor-driven Hook and Ladder Truck, which seems to be an absolute necessity. With this equipment added it would complete the purchase of fire apparatus for some years. The stations need some minor repairs, and a new floor will have to be put in Station 2 at the Heights the coming year.

I would recommend that the town take some action in the near future in regard to a central fire station, and the placing of all apparatus and men under one roof. The present buildings do not compare favorably with the rest of the public buildings in the town.

The total number of alarms during the past year was eighty-five, including two second; seventy-three audible and twelve still, classified as follows:

Buildings	30
Brush and grass	43
Dumps	4
Auto trucks	2
Electric pole	1
Hay stack	1
Out of town	1
Emergency	2
Test	1

Causes of Fires

Sparks from locomotive	18
Chimneys	13
Set by children	6
Burning rubbish	3
Careless smoking	2
Oil stove	2
Back fire—auto	2
Burning grass	2
Thawing water pipes	1
Plumber's torch	1
Accident	1
Overheated furnace	1
Lightning	1

Fire crackers	1
Spontaneous combustia	1
Amount of hose used for fire service	7,200 ft.
Amount of chemicals used	621 gals.
Number of feet of ladders used	714 ft.

The amount of values, insurance, and losses by fire is as follows:

Value of buildings at risk	$45,300.00
Insurance on same	31,800.00
Loss on buildings	4,145.00
Insurance paid on buildings	4,426.00
Value of contents at risk	52,125.00
Insurance on same	7,925.00
Loss on contents	2,380.00
Insurance paid on contents	2,020.00
Total amount of property at risk	97,425.00
Total amount of insurance	39,725.00
Total loss	6,525.00
Total insurance paid	6,446.00

In conclusion I wish to express my appreciation of the hearty spirit of co-operation shown by your Honorable Board in its attitude to this Department.

Respectfully submitted,

H. HOWARD UPHAM,
Chief of the Fire Department.

December 31, 1920.

REPORT OF THE FOREST WARDEN

December 31, 1920.

To the Honorable Board of Selectmen:

Gentlemen:—I herewith submit my twelfth annual report as Forest Warden.

The number of permits issued from this office for burning rubbish, etc., in the open was 1,268. This is the largest number of permits ever issued in any one year. In accordance with the statutes the necessary notices were published in the Needham *Chronicle* in the month of February. There has been five calls for the Fire Department for burning rubbish and grass this year. One, burning without a permit, for which the town was reimbursed for the expense; one was set by the employees of the Street Department; the remainder were burning under a permit.

All residents desiring to burn rubbish between March 1 and December 1 should get the necessary permit before starting a fire, have plenty of help present to control it, and not leave until the fire is entirely extinguished. The permit is not valid unless weather conditions are favorable. Permits can be obtained at Fire Department Headquarters and at the Fire Station at Needham Heights.

The following are extracts from the Massachusetts Forest Laws:

Setting Fire to Growing Wood or Timber of Another

Punishable by a fine of not more than $100 or by imprisonment for not more than six months. (R. L. 208, Sec. 7.)

Letting Fire Escape

Negligently allowing fire to escape from your own land to adjoining land. Punishable by a fine of not more than $250, also liable for damages. (R. L. 208, Secs. 8 and 9.)

Forest Wardens not Liable to Arrest for Trespass

Wardens, deputies, and assistants not liable for trespass while acting in the reasonable performance of their duties. (Acts 1907, Chap. 475, Sec. 6.)

Permit to Light Fire in the Open

In any city or in towns so voting, a permit from the Forest Warden must be obtained to start a fire between March 1 and December 1. The only exception being that debris from fields, gardens, or orchards, or leaves and brush from yards may be burned on ploughed fields by the owners thereof, their agents, or lessees, but in every case such fire shall be at least two hundred feet distant from any forest or sprout lands and at least fifty feet distant from any building, and provided further, that persons above eighteen years of age may maintain a fire for a reasonable purpose upon sandy or barren land if the fire is enclosed within rocks, metal or other non-inflammable material, but in every case such fire shall be properly attended until extinguished. Violation of this provision—punishable by a fine of not more than $100, or imprisonment for not more than one month or by both such fine and imprisonment. (Acts 1908, Chap. 209, Sec. 4, as amended by Chapter 244, Acts 1911.)

Arrest Without Warrant

The Forest Warden or any of his deputies may arrest any persons setting or maintaining a fire in violation of the provisions of this Act. (Acts 1908, Chap. 209, Sec. 4, as amended by Chapter 244, Acts 1911.)

Penalty for Refusing Aid

Any person between the ages of eighteen and fifty years who refuses, without good cause, to assist the Forest Warden or his deputies in the fighting of forest fires is liable to a fine of not less than $5 or more than $100. (R. L., Chap. 32, Sec. 2, Acts 1907, Chap. 475, Sec. 3.)

Disturbing Notices

Whoever willfully tears down or destroys any notice posted under the provisions of this Act shall be punished by a fine of $10. (Acts 1907, Chap. 475, Sec. 7.)

An Act Relative to the Disposal of Slash and Brush

(Chap. 308—1920)

Section 1. Every owner, lessee, tenant or occupant of lands or of any rights or interests therein, except electric, telephone and telegraph companies, who cuts or permits the cutting of brush, wood or timber on lands which border on woodland, or upon a highway or railroad location, shall dispose of the slash caused by such cutting in such a manner that the same will not remain on the ground within forty feet of any woodland, highway or railroad location.

Sec. 2. Any person who cuts or causes to be cut trees, brush or undergrowth within the limits of any highway or public road, shall dispose of the slash and brush then and there resulting from such cutting in such a manner that the same will not remain on the ground within the limits of said highway.

Sec. 3. Electric, telephone and telegraph companies which, at the time of erecting their transmission lines, cut or cause to be cut brush, wood or timber on land which borders upon woodland or upon a highway or railroad location, shall dispose of the slash caused by such cutting in such a manner that the same will not remain on the ground within forty feet of any woodland, highway or railroad location; such companies which after the erection of their lines trim or cut brush, wood or timber which has grown up since the line was erected, and which borders upon woodland or upon a highway or railroad location, shall, upon the request of the State Forester, and within a time limit set by him, dispose of the slash of second or subsequent cuttings if the same in his opinion constitutes a menace to adjoining property.

Sec. 4. The State Forester, or any duly authorized assistant of the State Forester, and the forest wardens in cities or towns are hereby authorized to inspect wood or lumber operations, and also the rights of way of electric, telephone and telegraph companies' transmission lines, to determine whether the slash and brush are disposed of in accordance with the provisions of this act.

Sec. 5. Violation of the provisions of this act shall be punished by a fine of not less than $20 nor more than $100.

Sec. 6. Chapter 101 of the Acts of 1914 is hereby repealed. Approved April 14, 1920.)

Respectfully,

H. HOWARD UPHAM,
Forest Warden.

REPORT OF THE INSPECTOR OF BUILDINGS

December 31, 1920.

To the Honorable Board of Selectmen:

Gentlemen:—I herewith submit the eighth annual report of this Department.

The number of building permits issued from this office the past year is one hundred and fifty-eight, classified as follows:

Dwellings	39
Alterations and additions	48
Garages	53
Poultry houses	8
Stables	6
Power house	1
Store house	1
Store	1
Shop	1

The estimated cost of construction is shown by the monthly issue of permits, as follows:

	Permits	Value
January	4	$4,950
February	3	10,000
March	12	14,725
April	24	88,700
May	13	34,900
June	11	42,550
July	20	43,725
August	24	34,250
September	19	17,425
October	17	27,800
November	4	800
December	7	13,300
Total	158	$332,825

This is a decrease of eighteen in the number of permits from last year, also a decrease of the estimated cost of construction.

All work has been carefully inspected and made to conform with the building laws of the town.

The number of plumbing permits issued is ninety-one. All the inspections of plumbing have been made by Mr. J. Frank Buckley and his assistant, Mr. Henry Thomas, and found to be satisfactory. Plumbing permits can be obtained from either of these gentlemen.

Mr. C. D. Walker, the Inspector of Wires, the last two years, owing to his removal from town resigned on November 1, and the duties of this office were placed in charge of the Chief of the Fire Department.

There have been two hundred and thirty-two permits issued from this office during the year 1920, fifty-four more than in 1919. The work of the Wire Department is increasing yearly and requires almost daily attention. Permits must be obtained before the work is started, and the same must be done to meet the requirements of the National Board of Fire Underwriters. Permits are issued from Fire Department Headquarters.

Respectfully submitted,

H. HOWARD UPHAM,
Inspector.

December 31, 1920

REPORT OF THE TRUSTEES OF THE NEEDHAM FREE PUBLIC LIBRARY FOR 1920

The circulation of forty-six thousand eight hundred ninety-one volumes shows the use that the people have for the Library, and its place in the educational system of the town.

The Trustees have given much consideration to increasing the service rendered the inhabitants of the Greendale and Upper Falls sections of the town. The deposit station in the Harris schoolhouse is an important feature, which the Trustees hope to duplicate at the Upper Falls.

The high prices of the day are illustrated by the repeated advances in the price of books, until the expenditure of fifty dollars obtains about the same number and quality of books that twenty-five dollars did a few years since. It is fortunate that so many standard works, necessary to a well-equipped library, were purchased in years when the cost was barely one half what it is at present. The readers of novels and stories demand the newest, although many of the best stories are not new. The same demand, in keeping with characteristics of the times, applies to a multitude of books written to meet popular interest, but which are largely short lived, and in some instances hastily written, and of little permanent value. A large class of readers everywhere consider a book that is not new as out of date.

The services of all employed in the library during 1920 have been satisfactory to the community, as far as the Trustees can judge; certainly the library was never in better condition as to order and system, no work being in arrears, and all done promptly. With our large circulation of books the expense of repairing and rebinding such books as are worth it has greatly increased. Some of the novels and juvenile books are entirely worn out, and are not replaced unless they are called for.

It is fortunate that a considerable quantity of coal was carried over from the supply bought in 1919, and that some expenditures could be postponed to 1921, as the Trustees

learned late in June that the Library would receive no income from the Greenwood Fund in 1920, although such income was included in estimates reported to the town by the Finance Committee, and was voted for the use of the Library by the town. The explanation we are told is that in 1919 the Library received and used the income as it accrued, it being duly credited to the Library, and that under methods of town finance such income is only to be credited to the Library at the beginning of the year subsequent to the one in which it accrued and was received by the town.

On October 3, 1920, the Library was for the first time opened on Sunday, the hours being from 2 to 5. This Sunday opening has been continued to the present time, and with a fair attendance of readers.

The Trustees omit their usual report showing the expenditures of the Library during the year just closed, as they understand that the condensed summary given by the Town Accountant in his report is deemed sufficient.

Respectfully submitted for the Trustees,

GEORGE K. CLARKE,
Chairman.

LIBRARIAN'S REPORT, 1920

REPORT OF POLICE DEPARTMENT

December 31, 1920.

To the Honorable Board of Selectmen, Town of Needham:

Gentlemen:—I hereby submit my annual report of the doings of the Police Department for the year ending December 31, 1920.

Number of arrests	75
Number of cases	87
Number of males	71
Number of females	4
Number of residents	51
Number of non-residents	24
Number of juveniles	4

Causes of Arrests

Assault and battery	8
Breaking and entering	1
Drunk	24
Disturbing the peace	12
Delinquent child	2
Escaped from State hospitals	3
Escaped from Feeble Minded schools	2
Gaming on the Lord's Day	6
Gaming on public grounds	2
Keeping and exposing intoxicating liquors	1
Larceny	1
Lewd and lacivious cohabitation	2
Neglect of minor children	1
Rape	1
Search warrant for intoxicating liquors	1
Threatening personal injury	1
Trafficing in registered bottles	1
Unlawful use of milk bottles	5
Vagrant	1
Violation of automobile laws	12

Disposition of Cases

Appealed	4
Filed	15
Fined	37
Held for Grand Jury	1
Probation	1
House of Correction	2

Returned to State hospitals	3
Returned to Feeble Minded schools	2
Discharged	4
Suspended sentence	1
Released by Probation Officer	14
Dismissed for want of prosecution	1
Committed to Walpole Training School	1
Committed to Lancaster Training School	1
Amount of fines	$460

Several serious accidents have occurred during the year. On October 10 two people were killed in a collision between a motorcycle and an automobile, on Great Plain Avenue, near the Wellesley line. The persons killed were in the motorcycle, which was being driven on the wrong side of the road. The driver of the automobile was held blameless.

On October 29 a woman was knocked down by a small machine on Highland Avenue, at Needham Heights Square. She was taken to the Glover Hospital where she died from fracture of the skull. The driver was exonerated as several witnesses claimed the accident unavoidable.

While walking on Highland Avenue, near the Newton line, on November 29, a man was killed by being struck by an automobile, and while a very strict investigation was made no trace of the operator of the machine was obtainable.

An accidental shooting took place on December 12, resulting in the death of a woman. Accidental discharge of a revolver which was being exhibited was found to have been the cause, and the manipulator of the weapon was held blameless.

Numerous other accidents have been investigated and reports of same sent to the proper authorities.

Four appointments were made during the year, but two of the appointees resigned after about one month of duty. The department now consists of a Chief and four patrolmen. One man is on duty in Needham square during the daytime, and one man at each of the squares at night. Sundays there is a patrolmen at each center and one near the Newton line.

Officer Lynes was taken seriously ill on August 2, and is still unable to return to duty.

I wish to thank your Honorable Board, also all the officers, for your co-operation and assistance afforded me at all times.

Respectfully submitted,

N. McKENZIE, *Chief of Police.*

REPORT OF SUPERINTENDENT OF MOTH DEPARTMENT

To the Honorable Board of Selectmen:

Gentlemen:—

The following is the report of the Moth Department for the year ending December 31, 1920.

In general the insect pests show a decrease in numbers over last year. The Brown Tail Moths, while appearing in certain localities, are in such small numbers that little damage is expected from them. The Oak Leaf Roller threatened in 1918 to equal the Gypsy Moth in the destruction of trees in different parts of the town, but the unusually early spraying of these localities in 1919 and 1920, saved practically the entire foliage of these trees, and it also appears to have exterminated this pest.

The Calasoma Beetles, which are imported parasites, are continuing to decrease in numbers through some unknown cause. They were the most efficient of the various parasites. Their disappearance may be caused by cold weather, disease, or birds. Then too, the value of these beetles is not generally known, and many are killed by people who believe them to be destructive. The following is an extract from a bulletin of the United States Department of Agriculture:

> "One of the natural enemies of the Gypsy Moth is a green, opalescent beetle, known to science as Calasoma. . . . . The beetles climb trees readily and travel out on the branches while searching for caterpillars . . . . They attack the caterpillars by seizing them in the middle of the back and cut through the body wall, feeding upon the liquids and fatty material which form the body content of the caterpillar . . . . The length of time during which the beetles feed is from about June 1 to July 15. . . . The adults of this species live three or four years. . . . Experiments which have been conducted show that the average number of caterpillars destroyed by one beetle in one season is approximately 350."

The usual amount of creosoting on town trees has been done. It is hoped that the people of the town will continue to co-operate with us in this work. Where property owners do attend to moth suppression, it is our duty to protect them from the invasion from the property of their neighbors, and those who neglect their trees along the boundaries of property, which is properly cared for, must expect to have the work done by this department at their expense. This is not a matter of choice on their part or ours, but is required by law, and persons who have done their own work thoroughly and feel that they are threatened by a neighbor's neglect, should report to this department.

In spraying for the Gypsy Moth and other insects, 7 tons of lead, 55 gallons of kerosene emulsion, and 75 pounds of Bordeaux Mixture were used. Besides the regular care of the town trees, this department did creosoting, spraying, and forestry work on private estates to the amount of approximately $4,700.

On account of worn-out hose toward the end of last season, the department was unable to use one of the sprayers. Before this year's spraying season begins, it will be necessary for the town to appropriate money for 1,200 feet of new hose.

Respectfully submitted,

GEORGE TWIGG,
Local Moth Superintendent

REPORT OF TREE WARDEN

To the Honorable Board of Selectmen:

Gentlemen:—

I herewith submit the annual report of the Tree Warden Department for the year 1920.

The Elm Leaf Beetle in 1920 appeared in greater numbers than in recent years, but the spraying was effective and little damage was done to the elm tree foliage.

Twenty maple trees have been planted in different parts of the town and guards placed to protect those exposed to damage.

Considerable work has been done on removing dead trees and branches and also on trimming and thinning road-side trees. A great many town trees have been improved in appearance and have had their life prolonged by caring for multilated bark and other injuries with a special tar preparation.

Careless automobolists have proven to be one of the greatest factors in the destruction of our trees, both through careless driving and the unreasonable height of loads.

The ash and maple trees are still infested with the scale and blight, but in certain localities are greatly improved over last year due to the fact that early in the spring a dormant spray of Soluble or Miscible Oil and Bordeaux Mixture were put on.

More work along this line would have been done, but the appropriation was not increased to meet the high cost of labor and equipment. It is hoped that in 1921 the appropriation will be sufficient to continue with this work.

Respectfully submitted,

GEORGE TWIGG,

Tree Warden

REPORT OF THE TRANSPORTATION COMMITTEE TO THE ANNUAL TOWN MEETING

Monday, March 15th, 1920

At the annual town meeting, March, 1919, under article twelve, it was voted—that a committee of five be appointed by the moderator to serve for one year without pay to represent the town in all matters pertaining to public transportation with authority to employ counsel, said committee to report to the town in writing not later than the annual town meeting.

Under Article 13 it was voted—that the sun of $1,000 be and it hereby is appropriated for the use of and to be expended by the Committee on Transportation.

The moderator appointed R. B. Hill, S. H. Wragg, G. W. Crawley, W. H. Carter and W. P. Bailey. Mr. Carter was unable to serve. Mr. Hill was elected chairman, and Mr. Crawley secretary.

The first step taken was a conference with the Public Service Commission on April 15th, at which meeting a definite program was laid before the Commission. This program asked for fuller use being made of existing trains at Newton Highlands and the restoration of the 9.15 train via West Roxbury.

The program in detail asked that the 11.59 train which was made up in the Needham yard leave the Needham station, this was put into operation on May 5th; that the connection with the 7.15 train from Boston via Newton Highlands be restored, this demand called for the holding of train 7232 twenty-three minutes, before its discontinuance an average of twenty people had been accommodated daily, this connection was restored on June 8th; that the branch train make three round trips during the evening to Newton Highlands, which at that time would only involve about one-half day's expense for train crew, this request called for two trains to Boston during the evening connecting at Newton Highlands for Boston at 9.25 and 11.10 and from Boston with the 8.50 and 10.35 via Newton Highlands and the 11.20 via West Roxbury

at Needham Junction, this service was put into effect on Nov. 5th on Saturdays only; it was not deemed wise to install same during the summer because of the usual falling off of such travel during the summer months.

The railroad authorities were not favorable to adding the 9.15 train via West Roxbury, nor were they willing to send the branch train down to connect at West Roxbury with the train which they put on for Dedham at 9.15, even the Public Service Commission did not favor this sort of connection.

About the time the Saturday evening trains were put on the crew schedule on the Branch was changed. The committee then urged the immediate extending of this recently installed Saturday evening service to every week day as the train crew cost would be practically nothing—this was done on January 19th, except there is no connection with the 10.35 via the Boston & Albany, the riding on this train being very small. We have not given up the idea that this connection can be secured—it only means an extra round trip and will give a train to Boston from Needham at 10 p.m. We also believe that it is possible to secure an additional round trip on the branch during the morning connecting with the 11.04 in-bound train at Newton Highlands and the 10.55 out-bound.

As many people were unacquainted with the number of close connections possible via Newton Highlands, the committee issued a time table calling attention to some of these trains.

We now have nine trains to Boston via West Roxbury from the Needham Branch, nine trains to Boston via Newton Highlands over the Boston and Albany, making connection within twenty minutes, many being very close connections, nine trains from Boston via West Roxbury and ten trains via Newton Highlands besides one train to Needham Junction with no branch connection.

We have asked the railroad officials to change the leaving time of the 1.19 train to 2.15 as there is a train via the Boston and Albany at 1.20, both trains reaching Needham Heights at the same time. This change would practically give us an additional afternoon train.

We also requested that the 12.35 train on Saturdays run regularly to accommodate the many passengers for the Junction.

This has been done and runs express, formerly it ran "dead head." They also are running the 12.39 train Saturdays during the temporary discontinuance of this train week days.

So much for our efforts to secure additional train service. We have discussed with the officials the desirability of the 5.22 outbound and the 8.22 inbound trains being run as separate units regardless of the Woonsocket connections. This proposal also has the approval of commuters from Dover, Medway and other stations.

We have also taken up with them, annoying matters which we believe could have been remedied very easily. We secured the assurance that accurate information should be given out promptly at both the Needham and Needham Junction Stations as to lateness and locations of trains—we believe this is now being done in a satisfactory manner. They have promised that a telephone shall be installed in the ticket office at the Junction station. Dead head cars are not being hauled on the 11.20 heated and lighted, while passengers stand even though a few scattering seats might be found up "forward". Additional cars will be if not already installed on the 7.18 morning train, this has been done on the 8.22.

At a conference in October it was suggested that some arrangement be made to send the branch train to Boston whenever the Woonsocket train was late. This is impractical at present as by so doing the connection with the 8.09 train from Boston could not be made if the 8.22 goes in and if the 9.26 goes on the 11.59 to Newton Highlands and the 1.06 to Boston via West Roxbury could not be made.

We have urged as have representatives of other communities, that the gates be kept open and announcements kept in plain view until conductor signals for train to start. This matter is now receiving consideration and a report is expected soon.

The committee joined with the Boston Chamber of Commerce, "clean the tracks" movement on Sunday, February 29th. Two hundred and forty-nine men went to work at seven a.m. and cleared of snow and ice, the tracks, sidings and ditches between Birds Hill and High Rock bridge, the "Y" and to Webster Street on the branch. The railroad guaranteed to pay 65c per hour, the committee presented a bill for 82c per

hour, secured its approval and the forwarding of the voucher to the Treasurer of the New Haven road for payment. The committee were unanimous in approving the payment due the men amounting to about $300 from the $1,000 appropriated for the use of the Transportation Committee. Mr. Astley, the division superintendent, came out at noon and complimented us on the splendid work we were doing. Freight was moved in and out of Needham the next day as had been agreed.

The Committee was present at the hearing before Commissioner Charles A. Prouty representing the United States Railroad Administration on October 6th and 11th, and offered verbal as well as written protest against a further advance of 25% on 12-trip tickets between Boston and points within the 15 mile zone and equally important to Needham people the proposed elimination of all other trip tickets fares on the N. Y. N. H. & H. R. R. and the substitution of a 25 ride family ticket with a 90 day limit. This meant a 10 cents minimum fare between stations in Needham and the elimination of the present 25 trip ticket between Needham and Newton Highlands which we now buy for $1.65. Commissioner Prouty did not recommend either of the proposals of the railroad.

The street railway situation has received attention from the committee. Hearings on increasing fares on the Bay State System and Middlesex and Boston were attended and protests made.

On April 21st, a conference was held with the President of the Middlesex and Boston, the Selectmen representing the Transportion Committee, the Town Counsel of Wellesley and Mr. Herbert B. Mackintosh, relative to the cars to Wellesley which had been discontinued on August 29, 1918. The President of the Middlesex and Boston stated that it was the intention of the company to abandon permanently, this line and take up the rails unless the towns were willing to contribute towards the expense of operation—that the earnings averaged only 11.46c per car mile, while the average operating expense of the whole system was 25c per car mile allowing nothing for taxes, interest or dividends. A suggested increase in fare from 8c to 10c would not bring in much if any additional revenue. The amount $12,000 was suggested as the two town's share was so inconsistent with the service or accommodations

offered that the committee did not feel justified in even bringing the matter oficially before the town.

Hearings were attended at which the increase of fares to 10c on the M. and B. were asked and on July 31st this rate instead of 8c was put into effect. The committee appealed to Street Railway officials and the Public Service Commission for the establishment of a zone system in Needham with a 5c fare between Needham Square and Hunnewell Street Bridge and Needham Heights Square and the bridge at the Upper Falls. The Commission stated that "from its study of the results of various forms of fare increases established by other companies, the commission is inclined to believe that a readjustment of fare zones with a lower rate, rather than a higher rate of fare, is likely to yield a larger increase of revenue for the company and to be preferable also from the standpoint of the public."

On October 8th a letter was received from the Public Trustees of the Bay State System, copy of which can be found in the Town Report, asking a contribution from the town of $10,000 for immediate repair of tracks before November 1st. At a conference no progress was made towards altering the trustees' decision to discontinue the cars on November 1st. At a special town meeting the town did not vote to contribute ten thousand dollars to the Bay State System. Arrangements were immediately completed to establish an Autobus Service between Needham and Spring Street. This service was started on Sunday morning, November 1st. The rate of fares being 5c from the Square to Greendale Avenue and 10c to Spring Street. After the first severe snow storm the town cleared Great Plain Avenue to the Dedham Line and the Autobus Company paid for breaking through the Dedham end of the line.

Persistent rumors that the Middlesex and Boston would cease giving Needham street car service between the Upper Falls and Needham have not been verified by any notice from the Company. This committee has discussed what could be done in case of such a discontinuance. Connecting the Bay State tracks and the Middlesex and Boston tracks at the corner of Great Plain Avenue and Chapel Street seems to be the most practical solution. If electricity were used as the

propelling force power might be secured from the Edison Company or either street railway company. There are several types of self-propelled cars that could be investigated. The project should receive immediate attention in the event of such a notice of discontinuance.

During the last week of our official term of office as a committee we were interviewed by a group of about fifteen citizens who use the trains daily. The entire transportation situation was discussed, the views and purposes of this committee were explained. The Committee placed emphasis upon the two principal demands which in its opinion should be made in the name of the town, namely—that the new spring train schedule should be arranged first to afford the town a proper and typical suburban service not dependent upon or tied in with trains to and from Woonsocket and other stations south of Needham, secondly to connect more frequently and exactly at Newton Highlands with trains over the Boston and Albany.

These plans and purposes met with the unanimous approval of those present.

These objects have been sought by the committee during the year as among its chief aims and we respectfully recommend a continuance of efforts along these lines to any succeeding committee and the balance of the appropriation may be continued for the use of such a committee.

Respectfully submitted,

R. B. HILL, *Chairman*

G. WALDO CRAWLEY, *Secretary*

REPORT OF SCHOOL COMMITTEE

To the Citizens of Needham:

Mindful of the high cost of construction which now prevails, we herewith submit to you the present situation relative to housing the school population:

The following six buildings are filled to capacity, viz.: High, Stephen Palmer, Kimball, New Avery, Old Avery and Riverside. The Kimball building will be overcrowded next year, and the town must soon face the question of the erection of a school building to provide for the steady growth at Needham Center.

At Riverside the problem may be taken care of either by the erection of a school building in that district, or by providing transportation facilities to move all the pupils to the Avery.

The Parker school building at Charles River, which has been closed since the summer of 1916 should be opened in the near future. However, before that can be done alterations will have to be made which will consist for the most part of heating and sanitary equipment, together with new furniture. Some minor repairs will have to be made to put the building in suitable condition for school use. It will be remembered that the outside of the building was given two coats of paint last year to prevent further injury by weather conditions. The new school building at the Heights will relieve the congestion in that section for some time.

The problem at the High School will have to be worked out before very long, as all available space in the building is now occupied. The tentative suggestion set forth in the Superintendent's report with reference to the erection of a new high school, and using the present building for a junior high, is worthy of careful consideration as offering the best solution to the entire housing problem at the center of the town for some length of time.

The funds appropriated last year have done much to improve the condition of the school buildings, and we feel the town will continue to support your Committee in its endeavor to keep all these buildings in first class repair.

We approve the budget as submitted by the Superintendent which includes a general increase in the salary schedule. This increase is necessary to keep pace with and meet the strong competition of other towns of approximately our own size and valuation, and is in line with holding our teaching force to ensure continuity of service. We also approve the recommendation to provide Vocational Training, by instituting a class in millinery and dressmaking.

Your Committee takes this opportunity to express their high regard for the teaching force as a whole, which is being efficiently and tactfully directed by Mr. West. The entire school organization is now running along in a very harmonious and progressive manner, and the teaching staff deserves the hearty support and co-operation of every parent in town to enable them to successfully carry out the great responsibilities devolving upon them. In this connection we would state that the Committee is ready at all times to confer with any citizen who has any constructive criticism to offer on matters pertaining to the schools. Or, better still, the meetings of the Parent Teachers' Association are wide open and afford an excellent opportunity for a full and free discussion along school lines.

The excellent report of the Superintendent which follows, sets forth in a very comprehensive manner the school activities for the past year, and the present status of school affairs. This report should receive the earnest attention of all the parents in town.

In closing the Committee begs to thank the citizens of Needham for their generous and helpful support during the past year, and confidently looks forward to a continuance of the same hearty co-operation in the future.

Respectfully submitted,

JOSEPH SATTERLEE, *Chairman*

REPORT OF THE SUPERINTENDENT

To the School Committee of Needham:

I herewith submit my second annual report of the Schools of Needham. Part I consists of a brief statistical survey of the growth and development of the schools during the last decade. Such a survey should be made every few years in order that we may know certain definite facts about where we are and whither we are tending. Part II contains the account of what has been accomplished for and in the schools during 1920, also a statement of the problems which are before us in the immediate future. The Appendix contains tables which are of use for historical purposes and also as a means of information to those who wish accurate comparative data concerning this department of the town's activities.

Part I

1. Population and School Membership. (Appendix—Table I)

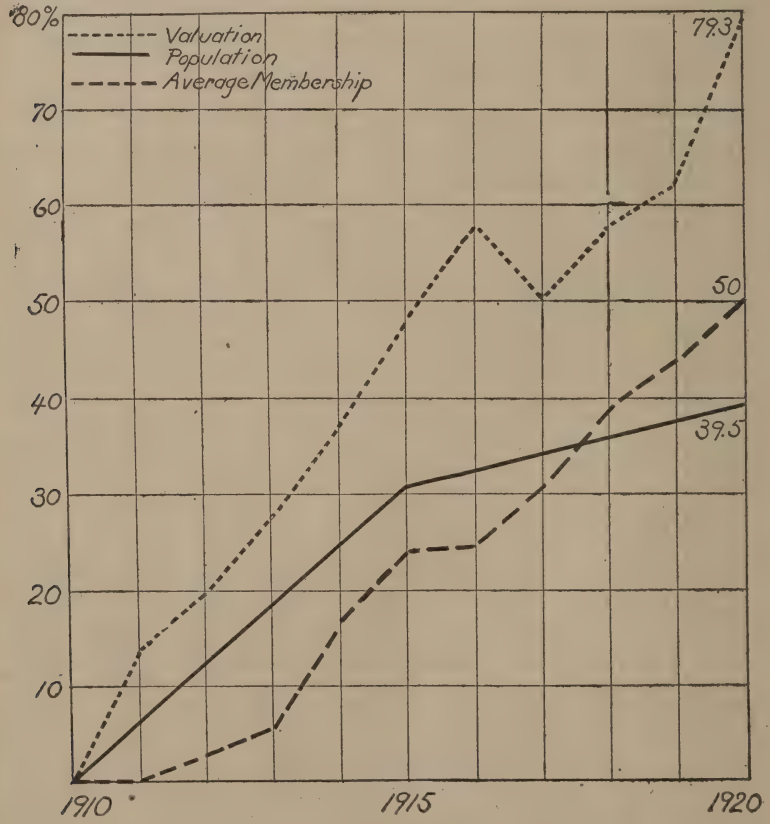
The population of the town of Needham in 1910 was 5026 which gave it a rank of 103rd in the 354 towns and cities of the State. In 1915 according to the State census the population had grown to 6542, a gain of 30.1%, giving it a rank of 87th in the State. By the federal census of 1920, the population was 7012, a gain of 7.2% over 1915 and of 39.5% for the entire decade. It is instructive to note that, for the same period, Norfolk County increased 16.8% and that the surrounding city of Newton and towns of Dedham and Wellesley increased 15.7%;—16.2%, and 14.9% respectively. The town now has a rank of 86th in the State. The phenomenal growth from 1910 to 1915 was due to the development of the town as a residential suburb of Boston, a growth which was aided by excellent railroad service to that city.

During the war period with the attendant decrease in building and the curtailment of railroad service, the growth in population slackened. At the present time it has again taken an upward trend. It is certain that in consideration of the stable character of its industries, and of its attractiveness

as a residential suburb the town will continue to grow rapidly.

A graphic representation of the percent of growth in population and in average membership of the schools is shown in Figure I. Table I in the appendix gives the detailed figures. We note that the average membership increased steadily from 969 in the school year 1909–10 to 1454 in 1919–20, a gain of 50% in the 10 years or an average of about 49 pupils or 5% per year. Population increased 40% or 4% per year.

Figure I Showing the percent of increase in Valuation, Population, and Average Membership from 1910 to 1920



2. Average Attendance (Appendix—Table I)

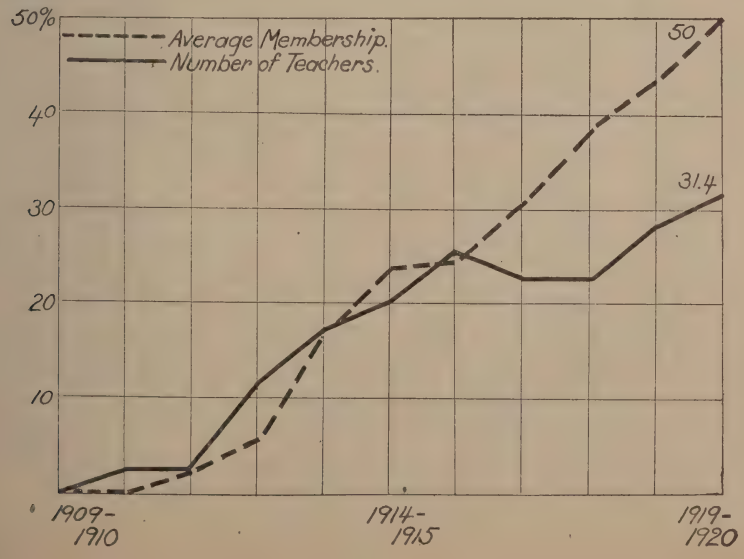
The average attendance of the Needham schools has been high up to the last two years. In 1909–10, the average attendance was 92.5% of the average membership. This rose to

95.7 in 1913–14 and held above 94.5 until 1918–19. During that year it fell to 90.7 due, undoubtedly, to the influenza epidemic. Some of the lost ground was gained back in 1919–20 but the recurrence of influenza helped to keep the attendance down to 91.6. Parents fail to realize the importance of regular attendance not only for good school work but for the formation of habits which will make for success. Careless, shirking citizens are made of those children whose parents allow them to treat school as of secondary importance to pleasure trips, personal desires or bad weather.

3. Number of Teachers and Pupils per Teacher. (Appendix—Table II.)

Figure II shows the relation of percent of growth in average membership to percent of increase in number of teachers. We note that whereas average membership increased 50%, the number of teachers increased only 31.4%, thus gradually increasing the number of pupils per teacher. An increase of 50 pupils per year would demand a yearly increase of 1½ teachers in order to keep the standard as of 1910. Such a procedure would have given us 50 teachers on January 1, 1920, instead of 46. The drop came in the years 1916–17 and 1917–18, when the number of teachers employed was actually less than in 1915–16.

Figure II Showing the percent of increase in Average Membership and Number of Teachers from 1910 to 1920



The resulting increase in number of pupils per teacher in the elementary schools is shown in Table II (Appendix). It can be seen that the lowest number (30) was in 1911, and the highest (37.2) in 1920. In the High School, the number has been kept close to 20 which is very satisfactory for High School work. An average of 37.2% means that many rooms had 40 or more. Such a large number tends, of course, to reduce the efficiency of the teacher, and thereby of the entire school system.

4. Valuation. (Appendix—Table III.)

The wealth of the town has increased even more rapidly than population or average membership of the schools, as shown by Figure I. The valuation has gone from about $6,000,000 in 1910 to nearly $11,000,000 in 1920, an actual gain of 79.3%. The apparent drop in 1917 was caused by the change in method of assessment whereby most of the personal property was assessed by the State. If taken as it was before 1917, the valuation in 1920 would have shown a 90% increase over 1910 while population grew 40% and membership 50%.

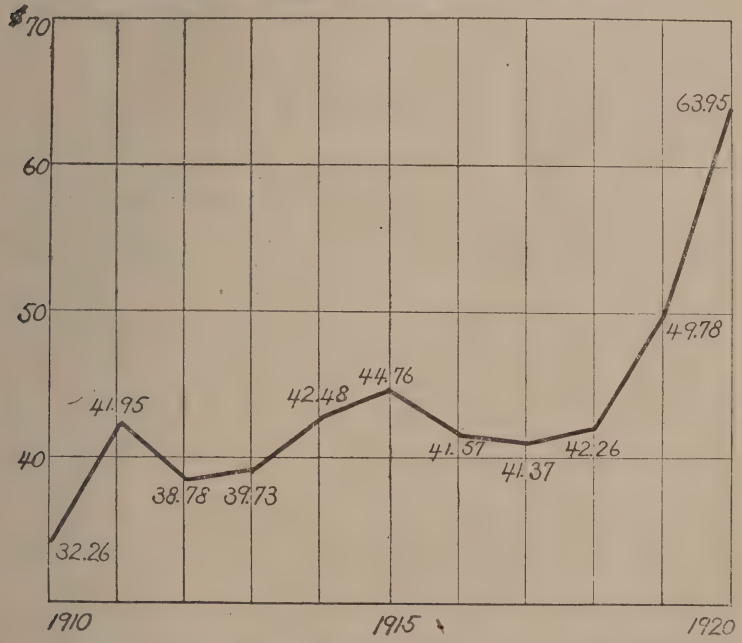
5. Expenditures. (Appendix—Table III.)

The increase in amount of money expended for schools has been 173% in the decade under consideration. At first glance this seems to be a large increase but more careful examination will show that it is not as large as might have been expected. In the year 1910 approximately $34,000 was expended. If there had been absolutely no general raise in the level of prices and wages we should expect to expend at least $51,000 in 1920 because of the 50% growth in membership. As a matter of fact, however, the general level of prices and wages has doubled in the ten years. Cost of living, which teachers' and janitors' salaries should follow, has increased 100%; coal has more than doubled; paper has doubled; books have gone up about 75%. I believe that it is a fair assumption that a town should spend twice as much for its schools in 1920 as in 1910 to maintain schools of an equal grade of efficiency. Thus, taking into account the 50% growth, the town should spend $102,000 in 1920, whereas the actual expenditure is $93,000.

6. Amount per pupil of average membership raised for support of schools from local taxation. (Appendix—Table III.)

The conclusions put forth in Section 5 are verified by an examination of the amount of money raised per pupil as shown in Figure III. In 1910 this was $34.26, and in 1920, $63.95, whereas the 100% increase which might be expected would make the amount about $68.50. It should be noted also that the amounts per pupil spent in 1916, 1917, and 1918 were actually less than was spent in 1915 or 1914 in spite of rapidly soaring prices. This made the increases in 1919 and 1920 seem more sharp than they really are.

Figure III Showing the amount of money expended per pupil of Average Membership for Support of Schools from 1910 to 1920

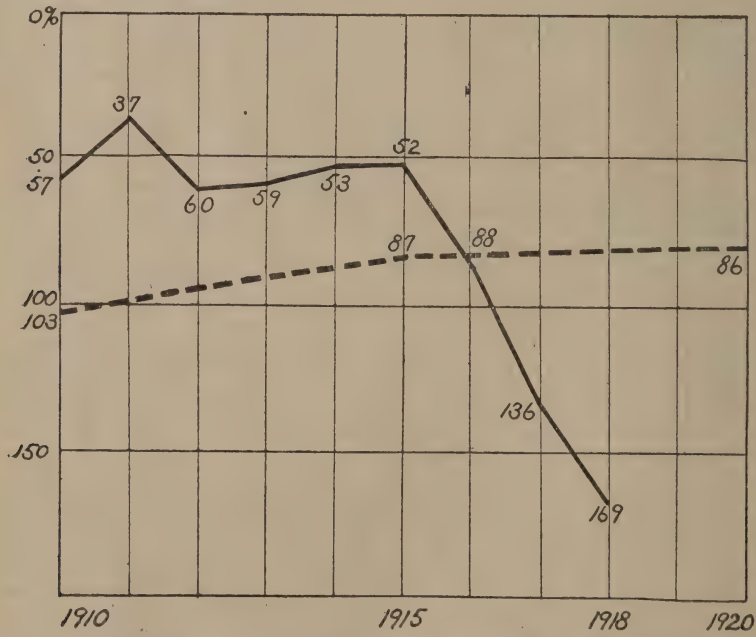


A school system should never waste money or spend unnecessarily, but it is a general truth that we get just about what we pay for. A school system that is not costing practically twice as much per pupil in 1920 as it did in 1910 is either underpaying its teachers, not providing enough teachers, not furnishing a satisfactory supply of books and apparatus, or not keeping its buildings in proper repair.

7. Rank of Needham in the State in the amount raised from local taxation for schools per pupil of average membership

Figure IV shows how Needham stands in relation to the 354 cities and towns of Massachusetts in money raised for schools. From 1910 to 1915 Needham was well ahead of its rank in population, standing 53rd in money raised and going from 103rd to 87th in population. In 1916, the standing was about the same as the population, but in 1917 and 1918 a rapid decline is seen until in 1918 (latest figures available) the town stood 169th in the money raised for schools.

Figure IV Showing Needham's rank in the 354 towns and cities of Massachusetts in amount of money per pupil of Average Membership raised by local taxation



The general conclusions of the above brief statistical survey of Needham's schools from 1910 to 1920 are as follows:

1. Population has increased 40%.
2. Average membership has increased 50%.
3. Average attendance has on the whole been high.
4. Number of teachers has increased 31%.
5. Pupils per teacher have increased about 7 in the elementary schools.

6. Valuation has increased 80 to 90%.

7. Although expenditures have increased 173% the amount spent in 1920 is about $9,000 less than would be expected.

8. Cost per pupil has increased from $34.26 to about $64.00, or about $4.50 less than would be expected by the doubling of costs.

9. Since 1915 the town has fallen rapidly in its relative position in the State in amount of money raised for schools.

PART II

In Part I, I have presented figures showing the growth and development of the schools of Needham during the decade from 1910 to 1920. In Part II of this report I propose to discuss present conditions and needs. I have pointed out that the average increase in our schools for the last ten years has been practically 50 pupils per year. During the present year there is every indication that the increase will be over 100 pupils. For the fall term of 1920 the average membership was 1,584, as compared with 1,468 in 1919, an increase of 116. On December 17, the last day of the term, the actual membership compared as follows with that of December 19, 1919:

	1920	1919	Inc.	Dec.
High	222	186	36	
Kimball	307	244	63	
Stephen Palmer	370	390		20
New Avery	163	150	13	
Old Avery	226	224	2	
Harris	47	52		5
Dwight	74	68	6	
Eliot	143	123	20	
Riverside	39	35	4	
Total	1591	1472	144	25

Net increase—119.

Because of this rapid growth the town has nearly reached the limit of the capacity of its school buildings so that within the next three years methods will have to be devised to accomodate the overflow. The housing difficulties at Needham Heights will be solved for some time by the erection of the new building voted last June. That this building was voted none too soon is evidenced by the fact that the boys from the seventh and eighth grades of the Avery School are obliged to come to the Kimball School this year for Manual Training as all six rooms of the Old Avery building are occupied for classroom purposes. In September, 1921, there will be need of seven rooms for the Old Avery pupils, which will make it necessary for two first grade teachers to work in one room until the new building is completed. We are looking forward to this latter event with much anticipation.

The problem at Riverside has become more acute this year than it has ever been before. Last year there were 75 pupils in this district. Thirty-five were in the portable building and forty were transported to the Eliot school. This year there are 92 pupils,—40 in the portable and 52 being transported. This increase in the number being transported made necessary two trips of the automobile bus in order to carry 52 children. There are several children who will be of school age next year so that we may expect to see a further increase next September.

It has been said many times that the present conditions are very unsatisfactory. The portable building cannot be properly heated even with an abnormal amount of fuel. Pipes and bubbler freeze every winter in spite of precautions. The room is much too small for 40 children and makes impossible many desirable activities in a primary school. A portable building at best is only a makeshift to be used until more substantial quarters can be provided, and this building is no exception.

The question arises as to whether the pupils from this district could be taken care of in the new building at Needham Heights. It is a mile and one-tenth from the bridge to the Avery school. Children below the sixth grade should not be expected to walk this distance, especially on a road as dangerous, on account of automobile traffic, as is Highland Avenue.

There are now 77 children below Grade 6, so that if all were transported three trips of the bus would be required, an impossible arrangement if the bus is also used for the Charles River children. Moreover these children would make necessary the use of two more rooms at Needham Heights, thus making use of nine out of ten rooms in the new building. With the growth at Needham Heights the building would soon be full and the problem of congestion again acute so that this does not seem to offer any permanent solution.

On the other hand children above the fifth grade could reasonably be expected to walk to Needham Heights and if those below that grade could be accommodated near home the problem and expense of transportation would be entirely eliminated. This result would be accomplised by the erection of a three-room building in the Riverside district to take care of all pupils below the sixth grade. As there would be about 77 pupils for such a school now, a building which would accommodate about 120 pupils would suffice for some time.

There has been some discussion as to where such a building should be located. The town owns a lot of land 290 feet by 183 feet on Highland Terrace, High and Riverside streets where the present portable building is located. This lot, being on a side street, is a better location for a schoolhouse than a lot on Highland Avenue where traffic is heavy. On the other hand the street is a private way and in poor condition at present with a low, wet sidewalk. Another disadvantage is that the land is at the extremity of any possible settlement in this locality as beyond it is the Newton Water Reservation. It is, however, only a mile and a quarter from the portable school to the Avery school at Needham Heights so that a child living just half way between the two schools on Highland Avenue would have only five eighths of a mile to walk to go to either one. The bulk of the settlement at the present time is close to the river and very near the school. A building on this lot would become much more of a community center than a building on Highland Avenue part way towards Needham Heights.

The actual cost of maintenance for a three-room school would be very little more than is now paid in various ways. One teacher would be taken from the portable building, one from the Eliot school and the present expense of transportation

would more than provide for the third. The only extra expense would be for coal and janitor service. I believe, therefore, that the only permanent solution of this whole problem is the erection of a three-room schoolhouse on the present lot for the children below the sixth grade, with the understanding that those above this grade shall walk to the Avery school at Needham Heights.

By fixing up a room in the basement of the High school building last summer we are accommodating the increased number there without serious difficulty. There are, however, seats for only 235 pupils in the entire building counting the basement room. We may expect to see the High school grow by at least 25 pupils per year so that next year we shall start with 250 pupils and the year thereafter with 275. It is evident that either the Assembly hall will have to be turned into a home room thus eliminating that hall for the many purposes for which it is now used, or an afternoon session for part of the school will have to be resorted to.

The Kimball school is occupying nine of its ten rooms for classroom purposes this year and the tenth for Manual Training. Next year, allowing for no increase in population ten rooms will be needed for regular classroom purposes, thus forcing the Manual Training out. The Manual Training can be accommodated in the portable building now on the grounds of the Glover Hospital which was requisitioned by the Emergency Health Committee in October, 1918, or in a new portable. A tentative suggestion for the solution of the High and Kimball problems would be the erection of a new High school in 1922 or 1923, the use of the present High school building for a Junior High school (Grades 7 and 8), leaving the Kimball building for Grades 4, 5 and 6. The fifth grade which was at the Stephen Palmer building last year had to be transferred to the Kimball in September, and it will not be long before a fourth grade will have to be taken out of the Palmer building.

Transportation conditions from the Charles River section are not now satisfactory. There are 41 pupils being transported compared with 32 last year. Thirty-five ride in the automobile-bus (which should carry not more than twenty-five) and 6 come on the train. I feel that either a school should be maintained at Charles River or else transportation facilities

should be made adequate by the use of a larger bus. To open a school at Charles River would involve the expenditure of about $3,000 to fix up the building. If transportation is continued in the Riverside section it may be good financial policy for the town to purchase an automobile which will accommodate at least 35 children comfortably and hire a man to operate this bus for the Charles River and Riverside sections.

The most urgent need at present is the Riverside school, but I wished to present the other needs so that you and the townspeople may see that the town has practically reached the limit of its schoolhouse capacity and that, if growth continues, more buildings must be erected within two years.

Teachers

In Part I it was pointed out that the number of teachers had increased slower than school membership. Four were added to the staff this year,—one in January and three in September. The average number of pupils per teacher in the elementary schools will be about 36 this year whereas it was 37.2 last year. It will be necessary to have five new teachers next year,—one to begin in January (already authorized) to relieve the principals at the Kimball and Avery schools, and four in September. One of these four will go into the High school. Some relief must be found for Miss Russell as she should give all of her time to the drawing next year. It may be possible to hire some one to teach Manual Training for half time and High school subjects for the other half, or one of the principals may be able to handle all of the Manual Training. The solution of this problem rests on our ability to adjust our work to the qualifications of individual teachers.

We were fortunate in not having a single grade teacher resign in term time during this year. Three resigned in June. In the High school there have been six changes, three between January and June, and three during the summer. There have been no changes whatever since September. All new teachers are graduates of Normal school or college. Our teachers are working harmoniously and faithfully, and have shown a desire to co-operate in putting the best of recent educational theory into practice in our schools.

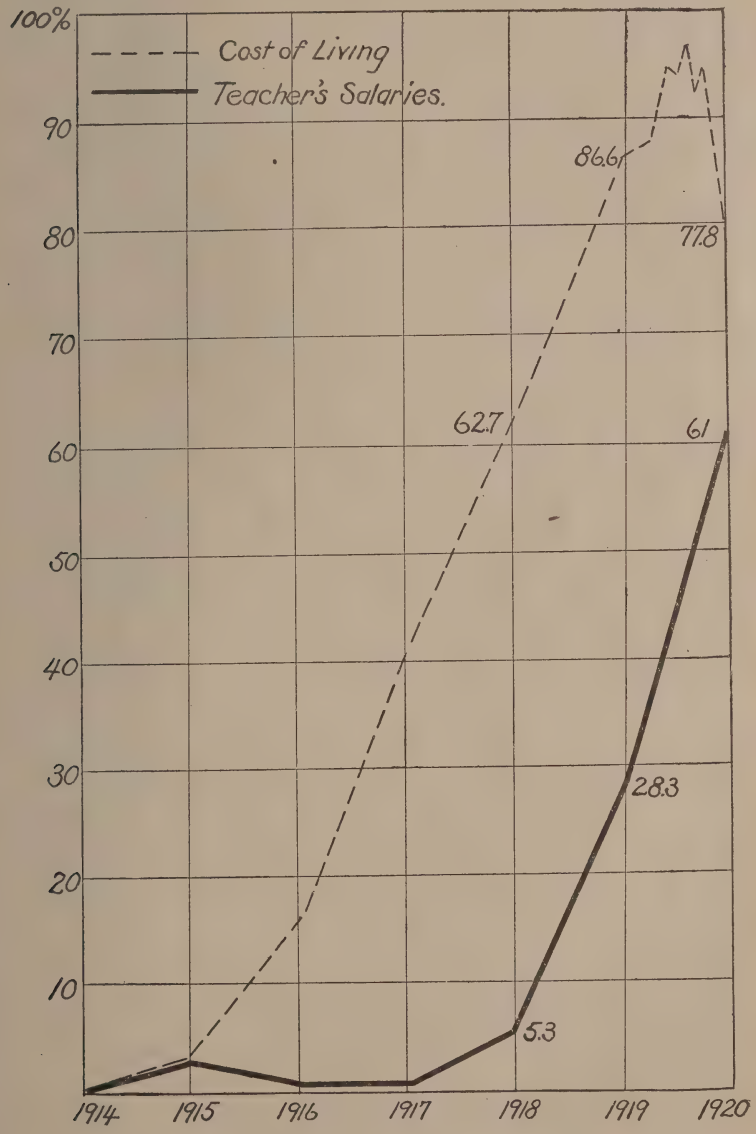
Perhaps the most vital problem of our school work is to hold our teachers and thus receive the benefits from continuous service. Frequent changes in the teaching corps inevitably lead to inefficient schools. There are three main conditions which must be fulfilled in order to keep good teachers. The school system must be such as will give ambitious, energetic teachers opportunities for growth; living and social surroundings must be attractive; and salaries must be adequate. The first condition is the task primarily of the Superintendent of Schools; the last two must be provided by the town. As a general thing, teachers' salaries advanced very slowly from 1915 to 1918, and have gone up rapidly since then. They have not yet reached the increase in cost of living as will be seen by the accompanying Figure V. The average salary of Needham teachers was $789 in December, 1914, and $1,275 in December, 1920, an increase of 61%, while cost of living increased about 100%. The value of increases made last year was destroyed by the increases in room and board for the current year which ranges from $50 to $100 per teacher per year.

Investigation shows that at present Needham is somewhat below the level of towns with whom we are obliged to compete. Some of these towns are planning further increases. Below is a representative list compiled in October, 1920:

	High School Teachers		Grade School Teachers	
	Max.	Min.	Max.	Min.
Swampscott	$1,750	$1,400	$1,450	$1,050
Rockland	1,550	1,350	1,400	1,100
Andover	1,650	1,375	1,350	750
Marblehead	1,550	1,100	1,280	1,000
Fairhaven	1,800	1,050	1,500	850
Concord	1,600	1,200	1,500	1,100
Lexington	1,625	1,400	1,300	1,000
Wellesley	2,000	1,200	1,500	800
Dedham	1,800	1,350	1,500	1,000
Norwood	1,400	1,175	1,350	900
Needham	1,500	1,250	1,250	1,000

The Teachers' Council has discussed this matter with the Superintendent and Committee and felt that to maintain our

Figure V Showing percent of increase in Cost of Living and Average Salary of Teachers in Needham from 1914 to 1920



standing and to keep our teachers from leaving, an increase of $300 per teacher should be voted to take effect next April 1. There are 28 teachers who have not yet reached the maximum of our salary schedule. These teachers would receive increases next September, but most of the increases would be for $50 each. An increase of $300 would be a desirable thing and would put us no higher than many other towns. In view of the general industrial depression and the heavy tax burden, I recommend that a flat increase in our salaries of $150 be made to take effect April 1, 1921. This will mean only $45 per teacher for the present school year and $105 for the fiscal year, 1921. It will add $5.250 to the budget. The maximum in our salary schedule should also be raised by the same amount so that in September there would be opportunity for the increases to 28 teachers who have not reached the maximum.

On that basis, therefore, I have formed the budget. I hope that this amount will be voted by the town as nothing less will suffice to keep our teachers from going where higher salaries are being paid. The general failure to raise salaries from 1915 to 1918 resulted in depleting our normal schools, and in sending many teachers into other work. It will take some time to return to a condition which will attract our energetic men and women into the teaching profession, and the supply of labor now available in general lines of industry will be of no aid in recruiting the teaching forces this year.

Below is a copy of a letter from the Teachers' Council to the School Committee in which they state their recommendations and reasons therefor. The Council, which was authorized by the Teachers' Club to act for it, requested a conference with the Committee. This was held with the result that the School Committee asked the Council to state its desires and recommendations in writing. This was done in the following letter

Mr. R. L. West, November 29, 1920.
Superintendent of Schools,
Needham, Massachusetts.

Dear Mr. West:

At the request of the School Board, we transmit to them through you the following recommendations of the Teachers' Council as to a revision of the salary schedule, together with a statement as to our reasons for making these recommendations at this time.

1. We recommend that the maximum and supermaximum salaries be increased three hundred dollars throughout the schedule for the following reasons:

a. Examination of salary schedules taken from other towns of about Needham's population shows that our schedule is, on the whole, below the present general level.

b. The location of Needham is such that our teachers are commonly drawn to neighboring towns where the salary schedules show even more marked differences.

c. A comparison of the present schedule with that of Needham in 1914 shows an average advance in salaries of about 61%, while a conservative estimate of the increase in the cost of living will show at least 100% advance during the same period. The proposed revision would almost exactly equalize this advance and would leave the teachers as relatively well off as in 1914.

d. Since last salary increase was granted, teachers' expenses, particularly in the matter of room and board, have increased materially. From rather a careful investigation of teachers' expenses, we find that practically every teacher is paying from $50 to $100 more yearly for these two items alone, than she did in 1919–20, and it should be noted that these two items will in all probability be among the last to be affected by the present economic trend toward lower prices.

e. We note with alarm that several of our best teachers are restless under existing conditions, and we greatly fear that unless these conditions are remedied we shall lose good teachers from our force with resulting ill-effects on the whole system.

f. The present unrest among the teachers already mentioned is accentuated by the reports of action towards higher salaries being taken by other towns and cities of Massachusetts of such varying type as Boston, Abington, Wakefield, Reading, Taunton and Dedham, particularly as these towns in some cases are those who draw or attempt to draw our teachers.

g. The location and character of the town of Needham, situated as it is in the metropolitan district, and with its population composed largely of educated and cultured people, both add to the cost of living and at the same time call for a high standard of attainment on the part of the schools, which cannot be maintained unless the teaching force is kept largely intact from year to year.

2. We recommend that these salary increases go into effect as of April 1, 1921, for

a. While we have unanimously voted that we are opened in principle to any retroactive increases such as would have to be made should this change be granted as of January 1, we believe it of the highest importance that action should be taken at the earliest possible date, for

(1) We know of nearly half a dozen cases at present where Needham teachers have already been offered higher salaries to go elsewhere.

(2) We believe that more such cases will continue to occur between now and the end of the school year, and that the only way to avoid this danger is to remove its cause, by raising the salaries in order to retain efficient teachers.

(3) We believe that to postpone action until September 1 will be inexpedient, as the pressure of present high costs and the lure of present increased salaries may cause damage that will be difficult to repair.

(4) We believe further that action as of April 1 will convince the teachers as nothing else will of the fact that the school board and the town appreciate the situation in which the teachers find themselves, and that both bodies are ready to go as far as they can in justice to the schools and to the tax payers in meeting the present crisis.

b. We fully recognize the existence of the sentence in the present salary schedule to the effect that any further increases will in all cases take effect as of September 1. We recognize the fact that the teachers are bound to abide by that clause should the Board of the town so direct. We feel, however, for the reasons above stated, that conditions have materially changed both as regards living costs and comparative schedules since the last schedule went into effect, and acting as a teacher's council constituted by the school board for the purpose of co-operating with the superintendent in securing the greatest possible efficiency in our school system, we feel that our present recommendations are for the best interests both of Needham and of its school system.

3. We further recommend as to the method by which these increases should be put into effect, that the normal September increase should be given as of April 1 plus a flat increase of $200 to each teacher in the system except that teachers engaged between December 1 and April 1 should receive the increase as of September 1, 1921. This method devised in consultation with the Superintendent appears to be the simplest and most logical means of application.

In conclusion, may we express our sincere appreciation of the courteous and sympathetic attitude of yourself and of the school board, especially in regard to the matter of adjusting certain individual cases of salary inequalities, which you submitted to us, as well as regards this larger matter of revision of the salary schedule.

Needham Teachers' Council,

Signed,

VOCATIONAL EDUCATION

The town is offering in its High School opportunity for training for positions in the commercial world. A class of 15 in shorthand and typewriting was organized this fall in the Evening school on petition of interested pupils. One boy is attending the Norfolk County Agricultural School. Twenty-two others are attending the Newton Vocational School and Boston Trade School with tuition paid by the town and State. These are taking the following courses:

Newton Vocational School

No.	*Type of Work*	*Course*
3	Day school	Cabinet making
1	" "	Electrical
1	" "	Machine
1	" "	Automobile
3	Evening school	Machine
4	" "	Automobile
1	" "	Drafting
1	" "	Electrical
2	" "	Sewing
3	Extension school	Millinery

Boston Trade School for Girls

2	Day school	Machine operating

Thus, it is evident that the town in one way or another is doing considerable in training young people to earn a living efficiently. It is unfortunate that our High School cannot offer some work of a manual nature as we have several pupils who are absolutely unfitted for either college preparatory or commercial work. We should encourage such pupils to take advantage of the Newton Vocational School rather than acquire habits of failure in work for which they have no aptitude.

There is one aspect of vocational education of great practical benefit which we could put into operation at very small expense. I refer to evening classes in dressmaking and millinery. After the purchase of the initial equipment, which

would cost about $200, the State will reimburse the town one-half of expense of teachers and maintenance. The cost during the fiscal year of 1921, if classes were started in October, would be about $200 for equipment and $200 for maintenance. The annual cost thereafter would be about $400, of which one-half would be paid by the State. This work would be of real service to women who wish to have practical knowledge concerning dressmaking and millinery. A desire for such an opportunity has been expressed to the Superintendent from several sources. Five women are taking work at Newton this year and a good interest has been shown in the work of this character offered by the Girls' Community Club.

In order to proceed properly the town should accept Chapter 471, dealing with Vocational Education as per the following type vote:

> Voted that the town authorize the School Committee to establish and maintain State-aided vocational education in accordance with the provision of Chapter 471, Acts of 1911, and acts amendatory thereto, or dependent thereon, and further authorize the School Committee to spend a sum not exceeding $400 for the purpose.

TESTS AND MEASUREMENTS

We have continued the work with standard tests and scales which was reported on last year. Since September, 1919, the Otis Intelligence Tests have been given from Grade 6 through the High School, the Haggerty Intelligence Test to Grades 4 and 5, and the Dearborn Intelligence Test to Grade 3. These tests have been of great value in problems of classifying pupils, estimating their possibilities and in improving scholarship. We have used for testing accomplishment, the Courtis Arithmetic, Ayres Spelling and Hahn-Lackey Geography tests. We are planning to continue with standard Reading tests and Handwriting scales. The Intelligence tests have also been of great value in helping to eliminate the mal-adjustment in grading caused by the change from the nine to eight-grade system two years ago. In the middle grades there were several groups of children who were about one-half year ahead of the work ordinarily done in that grade. By means of the

tests, in conjunction with other data, these pupils were organized into divisions to go more rapidly than usual and thus gain a year. No essential work is omitted and so the plan is superior to the ordinary double promotion. Tests given to date indicate that these pupils will be able to accomplish the end in view without difficulty. In fact, some of the rapid grades have tested even higher than the average grade next above them. More comprehensive tests will be given in January and June to ascertain exactly how these pupils compare with average classes. The whole plan, although involving difficulties, is in line with the practice of the most progressive school systems of our country. The underlying theory is that a school system should be flexible and should be fitted to individuals rather than forcing all children to fit themselves to the same mould.

If parents would remember that the important thing is the good of each individual child, even more flexibility could be introduced. The school officials may make errors, but their purpose is the right education for each child no matter who he is. Intelligence and accomplishment tests have given us more scientific instruments to work with than we have ever had before, so that personal judgment is supplemented and often corrected. There are all grades of ability and all kinds of aptitudes. The ideal school would know each child and train him to the limit of his peculiar ability. It harms one child to be made to go too fast and produces habits of laziness in another if the work is too easy for him. The important thing is not the number of years required to complete a certain portion of schooling but the knowledge acquired and the habits fixed during the process.

An ungraded class for retarded pupils has also been in operation this year where much individual instruction has been given. I feel sure that these pupils are receiving much more than they would in the regular grades as the work is fitted to their needs and as the number in the class is small enough to permit individual instruction.

PARENT-TEACHER ASSOCIATION

This association has held four well attended meetings during the year with programs as follows:

March. Patriotic entertainment, Grades 4 and 5—Palmer School.
Address—Miss Louisa Pryor, State Agent for Household Arts Education.
Presentation of slides by Superintendent West, showing growth and financial needs of the schools.

May. Entertainment by orchestra of Avery School and by Avery School pupils in an exhibition work accompanied by lantern slides.
Address—Eben S. Cobb, Principal of High School, Clinton.

October. Reception to new teachers.

December. Tableaux by High School pupils showing Pilgrim scenes.
Address by Superintendent West on local problems.

The Association has about 150 members and invites all interested in the schools to join. The officers for 1920–21 are as follows:

President, Benjamin D. May.
First Vice-President, Mrs. Walter Proctor.
Second Vice-President, Arthur Curren.
Treasurer, James M. McCracken.
Assistant Treasurer, Mrs. Philip A. Rand.
Secretary, Miss Mary E. Glancy.
Member of Scholarship Fund Committee, J. H. Whetton.

Executive Committee

Mrs. Mary C. Whitney
Mr. Arthur G. Johnson
Mr. R. L. West
Mr. G. H. Campbell
Mr. Thomas H. Peters
Mr. Edward F. Waldron
Mr. Leonard Dawson
Mrs. Francis H. Hiller
Mrs. J. C. Freeman
Mr. Rolla Healey
Mrs. Ernest D. Gourd
Mrs. Eben Smith
Mr. Walter K. Queen

Repairs

Practically all of the repairs suggested in last year's report, with some others recommended by the Special Committee appointed by the town have been completed this year as follows:

From Regular Appropriation

Kimball School. Electric lights installed. Partition in large room on second floor and incidental repairs.

New Avery School. Electric lights installed.

High School. New tubes in one boiler (ordered by boiler inspector).

Incidentals to all buildings.

From Special Appropriation of $3500

Kimball School. Replacement of four single windows by four double windows and installation of four new windows. Outside painted.

High School. Removal of partition on third floor. New room in basement.

Dwight School. New floors, roof of fire escape shingled, new windows of larger size on first floor. New furnace to heat corridors.

New Avery School. Brickwork around entrances repointed. Walls and ceilings retinted.

Charles River School. Building painted outside.

The total amount expended for Repairs and Maintenance for the year was $5,473.96, with unpaid bills of $2,055.63, making a total of $7,529.59.

The deficiency in the special appropriation of $3,500 was chiefly caused by underestimates of the cost of the Kimball School work by the carpenter who advised the Committee. This estimate for the carpentry work was for $325, whereas the work cost $725. All of the painting work and the work at the Dwight building was done on contract after bids had been submitted. The work at the High School and the Kimball was because of its indefiniteness done by the day plan. The amounts estimated and actual cost for the special repairs are as follows:

	Estimated	*Cost (including unpaid bills)*
High School	$479	$478.15
Kimball School	721	1,110.07
Dwight School	1,362	1,590.38
New Avery School	459	379.55
Charles River School	416	409.46
Unforeseen	63	
	$3,500	$3,967.61

The amount of money spent for the regular repairs has been more than the appropriation chiefly because of the cost of re-tubing the High School boiler ($825), a totally unexpected expense when the budget was drawn up, and the excess of cost of the electric lights at the Kimball and Avery schools over estimates submitted to the Committee. The installation of lights has been a great improvement and has made possible the necessary after-school work by both teachers and pupils during the winter months.

During the coming year the following definite repairs should be made. I have secured estimates for each one.

		Estimates
Avery School.	Outside woodwork painted,	$150
Harris School.	Outside painted,	145
Eliot School.	" " and inside retinted,	765
Dwight School.	" "	190
Kimball School.	Inside retinted and new shades purchased,	650
High School.	Floor in basement room,	200
	New tubes in second boiler,	1,000
Incidentals,		400
Total,		$3,500

The total value of our school buildings is about $175,000 to $200,000, so that this request for repairs is an allowance of just 2% for depreciation. This is certainly not too large an allowance for buildings as old as are some of ours. If this percentage were appropriated every year we could avoid

appropriating as much in one year as was necessary in 1920, and the cost in the end by keeping the buildings in good condition would be less than by allowing them to get badly out of repair.

School Budget

The School Department has on January 10, 1921, unpaid bills of 1920 amounting to $3,095.95, divided as follows:

Administration,	$15.25
Books and supplies,	337.56
Repairs,	2,055.63
Operating expenses,	160.32
Transportation,	442.00
Sundries,	45.19
Fuel,	40.00

The deficit in books and supplies was caused by the unexpected increase in number of pupils. Repairs have already been discussed. Transportation was more than estimated chiefly because of the necessity of running two trips of the auto-bus from Riverside to the Eliot School since September.

The School Budget for 1921 calls for $101,000, an increase of about $20,000 over the $80,300 appropriated at various times during 1920. The following explanations will serve to clarify the different items in the budget.

Expense of Administration.—Salaries have been figured exactly as they are at present, the increase over 1920 being due to the fact that increases made last year were felt for only six months of the fiscal year. Rent and expenses are the same as in 1920.

Expense of Instruction.—Teachers' salaries have already been discussed. Textbooks and supplies show an increase. The amount spent in 1920 was $3.93 per pupil of average membership. As this will increase at least 100 during the present year the amount appropriated should increase by at least 100 times $3.93, which is $393. As $5,716.60 was spent during 1920, this addition gives practically $6,100.

Expense of Operating School Plant.—Janitors' wages are figured as they are now. In the past it was the custom to fill

up the coal bins in the summer to last for the school year. This was good policy as coal was cheapest then. This year, because of lack of funds, we decreased our purchase by about 100 tons, consequently the town will lose at least $150 on this account. The amount requested for fuel will enable us to fill up our bins in the summer which in the end will prove a saving to the town.

Miscellaneous Expenses of Operation will be about the same, the expense for water being a little more in 1921 because the meters were read in October this year, thus making a bill of only ten months.

Expense of Maintenance.—The request for repairs has already been discussed. Under new equipment we shall need 75 hall chairs at the High School, at about $3.25 per chair, and 35 new desks at the High School and Kimball School at about $15 a piece, making $850 needed. Grading and upkeep of grounds is about as in 1920.

Auxilairy Agencies.—Under this heading I have asked for $100 for library books, which seems a very small request; $150 for scales and health materials in order that we may do more nutrition work; $750 for school physicians, and $2,800 for transportation. The transportation account is figured on the exact amount now being paid.

Miscellaneous Expenses.—These show about the same as the amount spent in 1920: $100 for tuition and $750 for sundries.

In addition to the regular school budget I suggest $400 for Vocational Education as already explained.

SCHOOL BUDGET, 1921

Expense of Administration:	For 1921		Expended, 1920, including unpaid bills	
Salaries,—Supt.—Janitor—Clerk—Attendance Officer	$4,262		$3,909.27	
Rent—School Committee rooms	250		250.00	
Expenses—Coal, printing, traveling	400		412.64	
		$4,912		$4,571.91
Expense of Instruction:				
Salaries—Supervisors	$2,890		$2,400.00	
Principals	14,185		12,119.38	
Teachers, High	13,330		10,628.00	
Teachers, Elementary	44,295		33,298.50	
Teachers, Evening	450		220.00	
		$75,150		58,665.88
Textbooks	$2,800		$2,657.57	
Stationery and Supplies	3,300		3,075.19	
		6,100		5,732.76
Expense of Operating School Plant:				
Wages of Janitors	$5,850		$5,368.33	
Fuel	9,000		5,822.09	
Janitors' supplies and misc.	750		770.51	
Water	400		284.73	
		16,000		12,245.66
Expense of Maintenance of School Plant:				
Repairs	$3,500		$7,394.49	
New equipment	850		393.07	
Upkeep of grounds	150		135.10	
		4,450		7,922.66
Auxiliary Agencies:				
Libraries	$100		21.40	
Expenses for health	150		1.08	
School Physicians	750		750.00	
Transportation	2,800		2,384.05	
		3,800		3,156.53
Miscellaneous Expenses				
Tuition	$100		$65.20	
Sundries	750		711.47	
		850		776.67
Totals		$111,262		$93,072.07
Estimated Receipts				
From Dwight School Fund	$210			
Tuition	125			
Sale of books, etc.	47			
(State Income Tax)	9,880			
		10,262		
Necessary appropriation		$101,000 to be divided as follows		

For ordinary school purposes—$100,250 plus receipts from Dwight School Fund, tuition, sale of books and General School Fund.

For school physicians—$750.

(Committee also recommends $400 for Vocational Education under separate article. Money now appropriated for "Vocational Education" should be appropriated for "Tuition for Vocational Pupils."

Conclusion

A printed report does not reveal much of the spirit and purpose of a school system. We all fall so far short of our ideals that it is difficult to evaluate our work in the light of what we should like to accomplish. We are trying to work out a democratic school system. To that end a Teachers' Council of seven members (principals of the High, Kimball, Stephen Palmer and Avery schools; president of the Teachers' Club; and two elected members) was organized last March to discuss school policies with the Superintendent. We are trying to pay attention to individual children and not to allow any child to become lost in the mass. We are trying to cultivate a spirit of co-operation between teachers and parents so that they will be able to counsel together for the best good of the child involved. We believe that the public is not yet receiving as much as it should from its schools because it has not put as much as it should into them.

The interest and care which you as a School Committee have given to school problems have been a real inspiration to me, and have made my own task very congenial. It is interesting to note that for the twenty School Committee meetings held since last March when the Committee was increased to six members there has been a full attendance at twelve meetings, five at four meetings, four at three meetings, and three at one meeting. This record indicates your willingness to devote time and energy to our schools. I feel sure that the town appreciates your service.

Respectfully submitted,

ROSCOE L. WEST,

Superintendent of Schools.

REPORT OF THE HIGH SCHOOL PRINCIPAL

Superintendent R. L. West:

I herewith submit the annual report of the Needham High School.

In the class of 1920, the following pupils were graduated:

Name	*Present Occupation*
Edward Bailey	Dartmouth College
Frances Bailey	Simmons College
Doris Bliss	Office Cronkheit Co., Boston
Dorothy Buckman	Wadsworth-Howlands Co., Boston
Dorothy Butler	Bryant & Stratton Business College
Russel Cahill	Evans Brothers
John Cronin	New Hampshire State College
Edmund Fitzgerald	Boston University
Mary Foley	Office MacGregor Ins. Co.
Albert Hammersley	New Hampshire State College
Helen Hansis	First National Bank, Boston
Parker Jackson	Dartmouth College
Orlo McCormack	Office Christian Register, Boston
Arthur McDonald	Dean Academy
Alta McLean	At Home, Oxbow, Me.
Myrtle McLean	At Home, Oxbow, Me.
Grace Murdoch	Office John Hancock Life Ins. Co., Boston
Lawrence Norris	Post Graduate Needham High
Charles Orne	New Hampshire State College
Angela Overton	Office Pierce, Butler & Pierce Mfg. Co., Boston
Charles Perry	Office William Carter Co.
Jane Rae	Bryant & Stratton Business College
Katherine Rand	Wellesley College
Elena Roberts	Bryant & Stratton Business College
Dorothy Ryan	Office William Carter Co.
Kenneth Salmon	Mass. State Agricultural College
Mildred Smith	Office MacGregor Ins. Co.
Olive Sutton	Office Boston Cooking School Magazine
George Twigg	Boston University
Herbert Yerza	Phillips Andover Academy

The enrollment for the year is as follows: freshmen 98; sophomores 72, juniors 31, seniors 27, post graduates 3; total 231. Of this number 11 have left school leaving a present membership of 220 as compared with a total enrollment of 203 and a membership of 185 one year ago.

Of the 11 who left school, 5 left to go to work; 4 left because of sickness in the family which made it necessary that they should be at home; and 2 moved out of town. In addition to these losses from this year's enrollment, death removed from our number Miss Emily Kingsbury, a bright and popular member of the class of 1923.

I believe the foregoing figures furnish the most significant view of the condition of the High School that can be presented. We have this year about a 13 per cent increase in membership over last year, although last year marked the largest enrollment this school had ever attained. At the same time, we note an actual decrease in the number who have left since September. It is almost certain that next year will see at least 25 more pupils enrolled, especially since the present senior class is small and the incoming freshmen class likely to be as large or larger than the entering class of this year. In addition, high schools generally show a more rapid growth in membership, and also a marked increase in the percentage of pupils who remain in school in times of general business depression, when the competition between employment and school work is less keen. It seems almost certain that both the normal growth of the school and the general economic condition will produce a school of at least 250 next year and 275 the year following. The present building was designed to accommodate 200 comfortably. By fitting up the basement as a classroom and by altering the partitions in the physics laboratory, the school board has provided for the present enrollment; but the available space is now strictly limited, inasmuch as there are now only 234 home room desks in the building. By placing desks in the Assembly Hall and using this room regularly as a classroom, we could probably handle the problem for next year; though of course this action would spoil the Assembly Hall for most of the uses for which it is now employed. Another possible solution would be to place desks in the laboratory and thus provide a small home room on the

third floor. In any event, after September, 1922, it will probably be necessary to use one or more portable buildings or to resort to the two platoon system with all freshman classes held in the afternoon.

Due to this growth in membership, we have been obliged to assign too many pupils to certain classes and, in some cases, too many classes to a teacher. We have a division in beginning French, for instance, with 40 pupils; in fact about 10% of our classes have over 30 members. Such divisions are too large to permit a fair degree of individual instruction and ought not to exist in a school of this size. The State Committee on tentative standards for high school administration recommends that no teacher should have classroom duties assigned for more than five out of six periods, including study hall or library supervision as classroom work; and that the principal should not teach more than three periods per day. At present six of our eight teachers have every period filled, either with class instruction or with study supervision; three of them have full schedules or recitation work; and the principal has taken four classes daily. Another class will have to be started at the beginning of the second semester, as instruction in trigonometry must be offered those whose proper preparation for college requires the subject. Probably the most conspicuous case of an over-crowded schedule is that of the head of the English department, who has six classes daily in addition to the usual heavy burden of theme correction which always makes work in English courses especially difficult. Besides this, Miss Caswell has had charge of the school paper, "The Advocate," has a Debating Club, has coached the dramatics of the school, and has found time to be of great assistance to the girls in basket-ball. Next year, I believe we shall be obliged to have at least one more full-time teacher, and probably another in September, 1922, even if the two platoon system is made unnecessary by the use of portable additions to the present building.

As to equipment, I would recommend once more that the School Board investigate thoroughly the installation of a gas equipment for the use of the laboratory. It seems evident that the present building will be used for high school purposes for at least some years and proper work in chemistry and

physics cannot be done efficiently with alcohol burners. We want our graduates to have as good a preparation in science as we can give them, but, as conditions now exist, they have to work under an unnecessary handicap.

I have dealt at considerable length with these questions which involve so largely the question of finance, because I believe that these matters present the greatest obstacles in the way of this school doing its best work.

Fortunately, we have a corps of teachers who not only have marked ability in their special subjects, but who are also genuinely and sincerely interested in the progress of the school and are equally ready to co-operate with each other and with the administration in working for any improvement. I sincerely hope we can retain the services of the present corps.

This year, for the first time, considerable use has been made of the general intelligence tests. The results have been used as the basis for forming divisions and also for determining roughly the effort made by individuals in the school. In both cases, the practice has been found of great value as compared with the former method of depending solely upon teachers' ranks. We hope to supplement this during the present year by the use of such subject tests as are sufficiently standardized as to be of value for high school work.

In athletics, the Advisory Board created by the School Board to encourage and stimulate the athletics of the school has performed a real service. Acting on its advice, we have employed a football coach this fall and have left the submaster free to handle the business and administrative phase of the work. Through the financial support of the business men secured by the Advisory Board we have completed a successful season and shall have some surplus in our treasury in spite of unusually heavy expenses.

The spirit of the school is generally good, the attendance excellent, but the number of cases of tardiness is far too large. Too many pupils present the excuse of an " errand that had to be done " when they arrived five or ten minutes late. The school is trying to teach punctuality as well as to teach Latin and geometry, and it respectfully requests all possible co-operation on the part of the home.

May I in conclusion express once more the sincere appreciation which the Needham High School teachers have of the very efficient support and co-operation you and the School Board have given us in dealing with our problems.

Respectfully submitted,

GILMAN H. CAMPBELL,
Principal.

REPORT OF PARK COMMISSIONERS

The Park Commissioners herewith submit their annual report for the year 1920.

The work during the year has consisted of the maintenance and improvement of the parks and of the care of the bathhouse and swimming hole on the Charles River on South Street, near Dedham Avenue.

Maintenance work, including the mowing of the plots and general upkeep of the parks, has been carried on as usual.

Improvements have been made as follows:

The flower beds at the Needham and Needham Heights stations have been planted with perennials which should survive the winter and, with additions and rearrangements, become permanent garden spots, thus obviating the annual expense of purchasing bedding plants. The Common at Needham Heights has been beautified by the planting of six elms to replace the maples which have died. These trees, by nature high-branched, should give splendid shade and yet not obscure the view of motorists, and stand a better chance of survival on heavy subsoil than did their predecessors. The shrubs on the triangular plot of land at the junction of Greendale Avenue and Webster Street, the height of which had become a menace to traffic, have been removed and exchanged for low-growing Japanese barberry at no expense whatsoever to the town, and a bed of tall shrubs on Thorpe Park, deemed an obstruction to the view of approaching automobilists, was removed and the shrubs relocated on the same park.

The bathhouse on the Charles River has been in charge of Mr. Edward F. Waldron. Mr. Waldron has rendered efficient service in caring for the safety of the bathers and in giving adequate instruction in swimming. The building has been open 45 days during the summer season and has proven popular as an average attendance of forty, both for boys and for girls on their respective days, shows. The maximum attendance on any one day was fifty boys.

While it is not the province of the Park Commission to make general suggestions as to the improvement of the town, the board feels that any movement tending towards beauti-

fication of the town's physical appearance, should have its support. We consider the present discussion of the establishment of a Town Planning Board in accordance with the Acts of 1915, to be the beginning of such a movement. While Needham is not *required* by law to establish such a board, being under 10,000 population, neither were Amherst, Stoneham, Lexington, Reading and Walpole, all having less than 10,000 citizens at the time of creating planning boards. Much bad planning can be obviated by the submission of new projects to such an advisory body at no cost to the town as the members receive no salary. We sincerely hope that Needham will create a Town Planning Board and get a flying start towards logical improvement before the next State census giving us a population of 10,000, makes it compulsory.

Respectfully submitted,

PRESTON MITCHELL, *Chairman*
FREDERICK S. KINGSBURY
I. TUCKER BURR, JR.
Park Commissioners

REPORT OF OVERSEERS OF THE POOR, 1921

The Board hereby submits their annual report, in so doing we respectfully ask that the following comparative tables be scrutinized that you may acquaint yourselves as to how the money was spent.

It will be noted that we are asking for $16,000, this is imperative if our unfortunate friends are to be provided for properly. This allows for no extravagance.

The expenditure on present known cases will amount to $13,835, there are always new cases the cost of which cannot be accurately estimated.

Reimbursements are to go to the Treasurer, if these were paid promptly the net expenditure would only slightly exceed last year.

The reimbursement on one case will amount to $1,300—this has been one of contention between the State, Fitchburg and Needham, a decision having finally been rendered in our favor.

There are twelve families receiving Mother's Aid which cost $6,505.15, these same families will cost $7,685 this year, of which one-third is paid by the State.

Notice the amount of cash distributed, this is a very satisfactory arrangement, giving the mother a chance to secure more for the money and also giving her a feeling of independence.

Again we suggest that the different organizations for the dispensing of charity in town co-operate with us in temporary aid cases, this would be very beneficial and benevolent.

The Board respectfully ask all who are in a position to employ labor of any kind, to get in touch with us as we frequently have worthy persons who desire employment.

We have been fortunate in the extremely low cost of medical care the last few years, it is found that each family having their own physician is more satisfactory than an appointed one.

REPORT OF THE BOARD OF SELECTMEN

To the Inhabitants of the Town of Needham:

We herewith present to you the two hundred and ninth Annual Report of the Board of Selectmen, it being a general survey of the work directly under the authority and control of the Board, for the year 1920, together with the departmental reports as submitted to us.

Highways

The problem of expending the appropriation for highways to the satisfaction of every citizen, is impossible of solution; to solve it even to the satisfaction of one's self is almost equally difficult.

The principal reason for this situation lies in the fact that the yearly appropriation is not commensurate with the character and amount of work that the public demands.

There are some fifty miles of streets to be maintained at the present time; each year adds to the number, and increase of heavy automobile traffic demands more permanent and still more permanent construction.

Therefore either more money must be allotted by the citizens in annual town meeting, for the work of street preservation and repairing, or our thoroughfares will undergo a slow, but positively certain deterioration; in which event the expense of restoring them to standard conditions will prove a very costly proposition.

We therefore appeal for a substantial increase in this appropriation.

The Superintendent of Streets reports the work for the year in detail.

Crushing Plant

The Board is of the opinion that the Crushing Plant on Central Avenue, should be established on a still permanent basis, inasmuch as it should be so equipped as to be possible to operate during the winter months.

By so doing the material for road-building can be accummulated, ready for immediate distribution with the commencement of construction, and the work thereby facilitated to a large extent.

The main obstacle to this idea is the distance of the water main from the location of the boiler. The boiler feed, is through a pipe run on the surface of the ground, from a dead end of the water system on Central Avenue, about a thousand feet in length.

In consequence during cold weather it is impossible to prevent the boiler feed from freezing.

The Board is in conference with the Water Commissioners on this problem, and anticipate a solution in the near future.

The Crushing Plant is situated on leased land, at a rental of fifty dollars per year. The lot comprises about fifteen acres, a large part of which is ledge.

We have obtained an option on the purchase of the entire lot for one thousand dollars, and believe it is for the best interests of the town to acquire the property at this time.

As a further addition to the plant, we would recommend the purchase of a loading device, having no doubt as to the direct returns on the investment to the advantage of the town with the installation of an equipment of this kind.

Tractor

It having been demonstrated to the satisfaction of the Board that a material saving could be accomplished in general road-building and repairing, by the use of a caterpillar-tractor, a contract was made with the Cleveland Tractor Sales Company, and a machine capable of twelve horse power at the draw-bar was delivered in January at a cost of eighteen hundred and thirty dollars.

The machine is also available for the removal of snow, and to complete the equipment, a plow was purchased at an expense of one hundred and fifty dollars.

This can be easily attached to either the tractor or motor truck, and with such an outfit we believe the highways of the town can be kept open for traffic even with an extraordinary fall of snow.

Bridges

There are three wooden bridges over the Charles River, all of which have been posted, prohibiting a load of over three tons gross. Days Bridge at the Terminal of Chestnut Street, is in need of immediate repair, and even though there is a State Highway at either end, financial assistance by the State Highway Commission has been denied but from conference with the County Commissioners and the Board of Selectmen of Dover, we understand arrangements will be made to convert this bridge into one of concrete.

High Rock Street

That part of High Rock Street between the railroad bridge and Chestnut Street is yet to be completed, and under the decree of the County Commissioners the work must continue.

To date there has been expended on the construction of this road twenty-one thousand seven hundred and fifty dollars. The town has received from the County four thousand dollars, and is to receive in the near future three thousand two hundred and fifty dollars more. It is estimated that to finish the work will require an additional five thousand dollars, for a third of which (about seventeen hundred dollars), the town will be reimbursed by the County.

Central Avenue

Central Avenue is in a deplorable condition in several places.

It has been the endeavor of past Boards, and ourselves as well, to interest the State Highway Commission in a financial way in the re-constructing and repairing of this thoroughfare, but we have been politely, nevertheless positively, given to understand we need expect no assistance from them on this proposition.

The County Commissioners however, have agreed to lay out the road and while it has not yet been decided by the full Board, we feel safe in assuming that if the Town will appropriate fifteen hundred dollars for construction on this road

at the next annual Town Meeting, they will appropriate an equal amount. This will make a respectable beginning.

Similar yearly appropriations should be made until the road is refinished to the Dover line.

The section from Charles River Street to Fisher Street is in a dangerous condition at the present time and demands immediate attention.

Webster Street

During the year past that part of Webster Street from Highland Avenue to the railroad crossing has been reconstructed as per vote of the town.

In accordance with the same plan the small portion from the crossing to Hillside Avenue junction, should be rebuilt.

This is the final link in a policy laid down a few years ago, whereby it was planned to reconstruct the section of Webster street from Highland Avenue to Hurd's Corner, the work to be spread over a term of years.

This is a good policy to adopt if accepted and furthered by those who follow.

Mayo and Greenwood Avenues

These streets have been built under the betterment act, agreeably to a petition of the abuttors and the vote of the town.

The betterments have been assessed by the Board of Selectmen on what they firmly believe to be the actual increase in values due to the new construction, which is in conformity to the law.

Marked Tree Road Culvert

The town appropriated fifteen hundred dollars "for the purpose of lowering the culvert" under Marked Tree Road "and lowering the waterway from Chestnut Street in connection therewith."

In consultation with an engineer, the Board found that the level of the brook at a point west of the roadway was higher than that of the culvert, and for a considerable distance was ledge.

Some years ago, this culvert was repaired by putting an eighteen-inch pipe through it and in a space where it was disconnected an eight-inch water main was laid.

Acting in conjunction with the Water Department, we have removed this main making a clear passage through the pipe.

These propositions of drainage should not be decided too hastily. In this particular instance it is a matter of the rights and obligations of the abuttors and those of the town. The Board is not satisfied that the town is under any obligation in this case, and for that reason deemed it inadvisable to expend the entire appropriation.

Highland Avenue Drain

A contract was made for the laying of the drain on Highland Avenue, as per plan, at a price of three thousand dollars. The management of the Boston & Middlesex Street Railway Co. by agreement, put in one track drain and furnished gratings for two, for which an allowance was obtained from the contractor of four hundred and fifty-four dollars.

Upon completion, the test of the engineer showed that approximately twenty-five thousand gallons of water was carried away daily for the first few days, when the volume diminished to practically nothing, and that a large area of land is drained and materially benefited thereby.

Upon these findings assessments under the betterment act will be made.

Hillside Avenue Retaining Wall

The town voted that the cement retaining wall on Hillside Avenue be rebuilt, and the expense charged to the general highway appropriation.

When it was realized to what extent the highways were in need of repair, in comparison with the small amount of money available for the purpose, and that the cost of rebuilding this wall at the prevailing prices of cement and labor, would prove to be an exorbitant figure, it was decided to lay this proposition on the table until conditions were more favorable.

Street Lights

There have been a few new street light installations during the past year. As a further safeguard against the danger on Highland Avenue from the river to Webster Street, arrangements have been completed for additional installations and the resetting of old lights, so that there will be a light on every other pole the entire way, instead of every third or fourth pole as at present.

Sidewalks

Public safety demands to-day more than ever that the pedestrian be provided with the protection of a walk at least on one side of our highways.

The long stretch on Highland Avenue between Webster Street and the Bridge, is the cause of worry, both to the motor car driver and the person on foot; and each morning and evening finds considerable traffic over this route by both.

There has been one fatality within a few months on this street, and those who are acquainted with conditions wonder at the non-occurrence of others

A sidewalk should be constructed immediately the entire length of this course. Very similar conditions exist on many other thoroughfares which must have attention.

The old concrete or tar sidewalks laid in the town several years ago, in many instances are in a dilapidated condition. There are places where the entire top surface is worn off. In both the squares at Needham and Needham Heights sections have deteriorated to the point of being dangerous.

The Board expended a part of the appropriation for sidewalks on the re-surfacing of these tar walks, but owing to the exceedingly high cost of both materials and labor, the result did not compare favorably with expectations. However, we believe this work should go on to gradual completion.

There is now on file petitions for granolithic sidewalks which if built will cost more than the amount of the entire appropriation of last year.

It is of no particular advantage to the town at large to build a sidewalk of this type unless it be continuous, and therefore we have held to the policy of preceding Boards.

This does not always meet with the approbation of the individual who wants such a walk in front of his residence, but with the limited amount of money to expend it seems to be the proper course to pursue.

Fire Department

The Fire Department has had a most successful year, inasmuch as it has smothered opportunities for substantial losses, limiting them to an amount of less than seventy-five hundred dollars. That is proof of efficiency.

To obtain this result necessitates the annual expenditure of a considerable sum of money, but do not lose sight of the fact that every property owner enjoys a large reduction in his insurance rate, which should be credited to this appropriation.

We advocate the purchase of a motor ladder truck as recommended in the report of the Chief of the Fire Department.

Let us not wait for disaster to emphasize the importance of this addition to the equipment.

Fire Alarm

In general the Fire Alarm has given satisfaction in almost every emergency. To improve the efficiency the Superintendent has been instructed to have the whistle valve placed beneath the roof of the town hall, instead of outside as it now is, as extreme cold weather effects its operation.

There is no doubt in the minds of those who understand the workings of the apparatus that it is continually jeopardized by the possibilities of fire, so long as conditions on the switchboard of the Fire Alarm system are allowed to remain. If from lightning or other source, an overload of electricity should come onto the board, the result might be, the destruction of the vitals of the Fire Alarm system, and perhaps of the Town Hall itself. When this matter was first called to the attention of the voters, eight hundred dollars would have made the necessary improvements. The present estimate is placed at fifteen hundred dollars.

Possibly nothing less than an ultimatum from the New England Fire Insurance Exchange will persuade the citizens of the town of the necessity of this new installation. We certainly hope it will be nothing worse.

Police Department

The law is stern and it is the business of the Police Department to see that it is obeyed. But unless there is co-operation on the part of the law-abiding citizens of the town, and the officers of the force, its work is necessarily impaired. Co-operation then, should be the slogan, for the upbuilding of the Police Department of our town.

Increase in the force and improvements in equipment will be the demands of the no distant future.

Gypsy Moth Department

This work has been executed under the direction of the Superintendent, Mr. George Twigg, to the satisfaction of the State authorities and the owners of private estates as well.

It is certainly anything but encouraging when one thinks of the hundreds of thousands of dollars spent throughout the state in the extermination of the gypsy moth, and the apparent hopelessness of the task. The Gypsy Moth Commission of the State has asked that we increase our appropriation this year, about a thousand dollars.

Town Hall

In the Town Hall, the greater part of which is devoted exclusively to municipal offices and the general town business, gradual deterioration has been allowed to take place and upkeep has been disregarded until it will require the expenditure of quite a sum to restore it to the standard of neatness and cleanliness which it once had. The war period necessitated its abuse, and the policy of free use of the halls taxed the property to an abnormal wear and tear, with no receipts for renewal. Because of the increased cost of coal and repairs, the Board has advanced the rate of the upper hall to thirty-eight dollars per night, including the services of a police officer, and established the regulation that except for political meetings, and those of a similar nature, rentals shall be paid in every instance; believing that the income thus derived will at least equalize the expense of upkeep.

Avery School Playground

From the testimony of observers this annual appropriation pays a good return in the improved health and character of future citizens.

Memorial Park

Upon attempting to carry out the vote of the town relative to "Memorial Park", due to the fact that the agreed purchase price was more than the average valuation of the land for the previous three years, plus twenty-five per cent, it proved to be illegal, and therefore the vote was nullified.

The Board sought to bring about a proposition that could again be presented to the citizens of the town and legally acted upon. Under an Act of the 1920 Legislature, towns were empowered to take land for "Memorial Park Purposes" by right of eminent domain, and under this Act procedure was completed. At a subsequent Town Meeting the Board of Selectmen were authorized to make the taking, and the purpose of the original vote was carried out.

A Memorial Park Commission has been appointed which has inaugurated a plan of improvement, the expense of which has been bourne by public subscription.

Memorial Day

We have asked for an increase of one hundred and fifty dollars in this appropriation..

The Spanish War Veterans and the American Legion are now jointly interested with the Grand Army of the Republic in the observance of this great day. In consequence the amount appropriated in former years is insufficient.

Transportation

There has not been a large amount expended from this appropriation. No opportunity has occurred of which advantage could be taken to the material benefit to the town of Needham, along the lines of Transportation.

The Board had a very pleasant and satisfactory conference with the General Manager of the Boston Elevated Railroad, resulting in the cars of the Elevated Road being ordered to

run to the middle of the bridge at Spring Street, thereby directly connecting with the "Bus Line". An improvement very much appreciated by the patrons in stormy weather or at night.

Glover Home and Hospital

It has been customary for the town to appropriate a sum of money "for the use of the Glover Home and Hospital" at each annual Town Meeting. The legality of such action having been questioned on divers occasions, an opinion was obtained from Mr. Joseph W. Bartlett, who is solicitor of the city of Newton, and a prominent, practising attorney at the Massachusetts Bar. His opinion is that the town cannot legally appropriate money for the Glover Home and Hospital.

Board of Health

We desire to publicly commend the Agent of the Board of Health, Mr. H. E. Berger, Jr., for his very efficient and valuable work of the past year.

Lack of information only can be responsible for failure to appreciate this work.

In safeguarding the public health of the town last year forty two hundred miles were travelled, regular analyses of of the water from the town supply were made, living conditions investigated, cultures examined and the sources of contagious diseases discovered.

The most prominent feature of this service, is the opportunity for every citizen, in case of sickness, to have a culture examined and know instead of guess what disease he is combating.

We suggest a careful reading of Mr. Berger's report.

Respectfully submitted,

FRANK W. GORSE

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Gentlemen:—

I herewith submit my eighth annual report for the year ending December 31, 1920.

When estimates were made for appropriations for 1920 we didn't anticipate the high prices that went into effect as spring work began, for this reason our funds were not sufficient to carry out all the work as planned.

Cleaning

This work was carried on as usual except that some of the streets were not cleaned of leaves in the fall as no funds were available.

Fencing

Three hundred and thirty-four feet of fence were built on Fisher Street, and 640 feet on Central Avenue, west of Charles River Street, costing $500.81.

Iron posts and 100 feet of railing were put on west side of river bridge at South Street.

Drainage

The ditch that takes care of the water at the foot of Lincoln Street, extending to Warren Street was cleaned out and widened, 40 feet of 12 in. pipe was used to replace 6 in. pipe, which was too small. This work cost $160.50 and is a big improvement at small cost. In order to care for the water that was collected and sent down Marked Tree Road by the construction of High Rock Street it was necessary to construct a drain to the brook at foot of hill, a distance of 1,080 feet. An 8 inch pipe was laid at depth of two feet, considerable blasting was necessary.

Cost of pipe	$613.28	
Cost of labor	642.65	$1,255.93

Street Signs

Seventy-two dollars was spent repairing and erecting new signs.

Street Repairs

Webster Street from Brookline to residence of Mr. Titus, a distance of 400 feet, was reshaped with roller and surfaced with Tarvia. Cost, $324.25. Central avenue from culvert near West Street to residence of Mr. Alden, 850 feet, was reshaped, some gravel used and treated with Tarvis—Cost, $380.50.

Central Avenue near Marked Tree Road, 200 feet, received stone base 850 feet, surfaced with gravel. Cost, $647.75.

South Street, near Livingstone residence, 385 feet, received 8 inches of gravel. Cost, $417.50.

Charles River Street, west of Grove, patching. $96.00.

Repairs with Tarvio, 1,300 gal. K. P. and 300 gal. B, were used. Cost of tarvia, $240.00. Labor and teams, $705.50. Minor repairs, $1,454.63.

Street Construction

All the street construction consisted of crushed stone using "4 to 6 in. after rolling". Penetrated with Tarvia X and covered with fine stone.

Webster Street, south of Norfolk Street, 1,100 square yards, was constructed, 250 feet of stone drain was built to care for underground water beginning at the Wellington residence and extending to dry well, 2,100 gals. of tarvia were used. Cost, $1,226.74—$1.11 sq. yd.

South Street, east of Webster Street, 650 square yards, 1,200 gals. tarvia. Cost, $598.65—92c sq. yd.

Marked Tree Road, from culvert to residence of Mr. McIntosh, 1,900 square yards, 3,300 gals. tarvia. Cost, $1,534.25—80c sq. yd.

Hillside Avenue, from West Street toward Dale Street, 900 square yards, 2,000 gals. tarvia. Cost, $876.15—97c sq. yd.

Webster Street, near Herd's Corner, a continuation of last year's work, 1,150 square yards, 2,200 gals. tarvia. Cost, $967.51—82c sq. yd.

Webster Street, special appropriation, from Highland Avenue to railroad, 1,350 square yards. This street was built to a grade requiring the removal of four large trees and cutting the bank back ten feet. Cost of work on subgrade, $651.70—54c sq. yd. Cost of stone construction using 2,400 gals. tarvia, $1,088.50—90c sq. yd. Total cost, $1,864.80. Appropriation, $1,500.00. Deficiency, $364.80.

Mayo Avenue, Great Plain Avenue to Harris Avenue, 1,025 lineal feet. Laid out and accepted under betterment Act. The loam was removed and the subgrade built of gravel covered with 4 inches of crushed stone "after rolling" and penetrated with 4,040 gals. tarvia. Total cost, $3,248.93. Appropriation, $3,000.00. Deficiency, $248.93.

Greenwood Avenue, Great Plain Avenue to proposed Powers street, 1,050 feet. Laid out and accepted under betterment Act. On account of the depth of loam it was necessary to excavate the entire length of the street. The fill varied from 8 in. to 18 in. Beginning at Great Plain Avenue, a stone foundation was laid for 400 ft. and 100 ft. near Powers Street and covered with gravel from 8 in. to a foot in depth. On adcount of the heavy fill it seemed advisable to wait until next spring for surface treatment with tarvia. Cost $2,892.72. High Rock Street was continued to the railroad bridge with a stone base and gravel surface expending the balance of the appropriation. Expended, $3,524.33. Total cost to date, $21750

Sidewalks

Seven hundred and forty and one-quarter square yards of granolithic walks were built: Maple Terrace, 163 sq. yds.; Lincoln Street, 313 sq. yds.; Manning Street, 174 sq. yds., 19½ ft. of curb at $2.30 sq. yd.; Alfreton Road, 89.94 sq. yds., at $3.10 on account of extra cost of cement which was hard to get at any price. Repairs on walks, $1,817.34 of this $920.09 was spent resurfacing tar walks.

Road Preservatives

Thirty-four thousand nine hundred and thirty-five gallons of tarvia B were used. To preserve the surface of the streets, which lays the dust also. This cost, 11c a gallon at factory or 15c sprayed on the street. Cost was $7,201.76, including labor, teams and sand.

Snow Removal

The sum of $6,987.94 was spent under this item. The conditions that existed last winter are not liable to happen again, but it was a lesson to make better preparations to handle snow.

Summary of Expenditures

Cleaning	$3,827.75	
Fencing	529.77	
Street signs	72.00	
Drainage	1,697.15	
General	3,542.99	
Street repairs	4,265.13	
Road preservatives	7,201.76	
Street construction	5,646.01	
Unexpended balance	48.21	$26,830.77
Appropriation and receipts		26,830.77
Sidewalks, new	2,127.50	
Sidewalk repairs	1,818.34	
Abatements	172.81	
Unexpended balance	54.16	4,172.81
Appropriation and receipts		4,172.81
Snow expenditure	6,997.94	
Unexpended balance	2.06	7,000.00
Appropriation		7,000.00

Recommendations for 1921

Cleaning	$5,000.00	
Fencing	500.00	
Drainage	400.00	
Street signs	100.00	
General expenses	4,000.00	
Street repairs	4,000.00	
Road preservatives	10,000.00	
Street construction	6,000.00	$30,000.00

The increased amount for road preservatives will be necessary as none of the construction done in 1920 received a seal coat and will have to be done this year.

In closing I wish to thank your Honorable Board for your co-operation, also the men connected with my department.

Respectfully submitted,

H. D. BLACKMAN,

Superintendent

REPORT OF THE WATER COMMISSIONERS

To the Inhabitants of the Town of Needham, Massachusetts:

The Water Commissioners herewith submit their thirty-first annual report for the year ending December 31, 1920.

At the annual town meeting in March, Mr. Philip A. Rand was re-elected Water Commissioner for three years.

The board organized by re-electing Mr. Philip A. Rand, chairman; Charles W. Jones, secretary; and appointing George A. Adams, clerk.

Extension of Mains

A six-inch main has been laid in Highland Circle, near the Newton line, to supply the ten new houses belonging to the Saco, Lowell Shops.

(For description see Superintendent's report.)

In our 1919 report we said there were several streets in town where short extensions of the main could be made to do away with the existing dead ends and greatly improve the service, viz.: Mellen Street through to Webster Street; Kingsbury Street through to Webster Street; Howland Street through to Webster Street; Rosemary Street through to Highland Avenue; May Street through to Highland Avenue; and Central Avenue, from the cottage of Mr. Marselli to the residence of Mr. G. M. Chamberlain. The Central Avenue extension would give a second main to supply the south part of the town where the largest water takers are located, at present the single supply being through South Street. All of these extensions should be made when the iron and labor markets get somewhere near normal, or the financial condition of the town will warrant, or if the town anticipates accepting, relocating or rebuilding any of the streets mentioned it seems especially necessary to make provisions to lay the mains in them before rebuilding, for the cost would be much less, and it is impossible to replace the surface of a street to its original condition.

Another matter of interest and we are of the opinion it would be money well expended, is to connect our mains with those of the City of Newton (if Newton will agree) so in case of a severe accident we could get a temporary supply from this source, as Newton is connected with the Metropolitan System, the City of Waltham, and the Town of Brookline. And as our mains are now connected with those of the Town of Wellesley, at the south part of the town, and Wellesley being connected with the Town of Natick and Natick with Framingham, it seems as though we could be helpful to our neighbors as well as be helped ourselves.

Hydrants

Following our usual custom, the hydrants have been inspected and painted, and repaired when found necessary, to put them in first class working order.

Standpipes

In 1919 a contract was awarded Mr. William Hamson of this town to scrape, wire brush and paint with three coats on the old and one coat on the new standpipes.

It being so late in the fall when the work was finished on the old standpipe, it was decided to postpone the work on the new one until the spring of 1920. So when the weather conditions warranted the one coat that the contract called for was put on, but it was thought advisable to put on a second coat, and the appearance of the standpipe shows that we made no mistake in doing so.

When the first standpipe was erected in 1890 the 12-inch supply pipe was run up in the center a distance of 75 feet, so that the water was discharged at that height, thereby giving a greater pressure in case of fire, even if the water level in the main standpipe was much lower. This was thought necessary at the time for the storage capacity of the standpipe was very small. When the pump was stopped the pressure would fall to the water level of the standpipe, and the water came back into the same 12-inch pipe at the bottom of the standpipe, where a check valve automatically opened and closed.

It has not been necessary to use this inner tube for the purpose for which it was planned since the new standpipe was

built, for the water enters both standpipes at the bottom and the water level is the same in each, and there being a much larger storage capacity it is not necessary to start the pump at every alarm of fire.

It was our plan when the old standpipe was overhauled to remove the inner tube, but did not intend to do it this year, but the elements forced the issue.

In very cold weather the ice forms on the inner surface of the iron, as was the case in the winter of 1919-1920, and when the thaw came in the spring, the ice gave away and floated, taking with it the iron rods that stayed the inner tube, pulling the bolts through the plates, and the inner tube broken in six pieces, together with the stay rods fell to the bottom of the standpipe.

The old iron has been removed, and the standpipe patched, thoroughly repaired, scraped, wire brushed and painted two coats on the inner surface.

Pumping Station

Following the recommendations of the State Inspector, and keeping within the law, there has been installed a toilet at the pumping station, railings and guard screens around the fly wheel of the pump, and openings in the floor, and a first aid kit purchased and placed in a convenient location in the engine room.

Water Supply

We have been very fortunate in the last few years for the water consumption has been very low and there has been no severe drought, but if we should have a very dry season and a high consumption of water, it would be necessary to install an auxiliary pump at the test wells east of South Street and pump the water into the present wells for temporary relief.

When this time comes, and we expect it in the near future, it will be an ideal time to carry out the original plan, and dig a well at the location mentioned and lay the suction pipe from the pumping station to it, so we can pump from either or all of the three wells.

The matter of putting a roof on the new standpipe has been postponed year after year waiting for old prices to return, while this may not be quite as serious a matter as the new well, for it does not affect the quantity of the supply, yet the whole subject should be considered seriously, for it will take quite a substantial appropriation to do this work.

Water Rates

As amended by vote of the town in 1910, and the Board of Water Commissioners in 1920.

The minimum advance water rate on each service shall be $6 per annum, from April 15 to April 15, and pays for 2,222 cubic feet of water if used between these dates.

Water used in excess of 2,222 cubic feet, and under 202,222 cubic feet will be charged at the rate of 19 cents per 100 cubic feet.

Water used in excess of 202,222 cubic feet will be charged at the rate of 11 cents per 100 cubic feet.

Meter rental, $1 per annum, payable in advance.

Bills for the minimum advance water rate of $6, and meter rental of $1, shall be rendered April 15, and will include the charges for excess water for the year ending on that date, except if the water used between April 15, and October 15, in the same year exceeds 2,222 cubic feet, a bill for such excess shall be rendered and payable October 15, or, if the meter readings indicate that a large amount of water is being used on any service, the bills shall be rendered and payable monthly.

FINANCIAL REPORT OF WATER COMMISSIONERS

Vacuum Oil Co., oil	$213.48

1944	1,000

Total outstanding bonds	$158,000.00
Total bonds matured and paid	$172,000.00
Total authorization and issued	$330,000.00

Respectfully submitted,

PHILIP A. RAND,
HENRY THOMAS
CHARLES W. JONES,
Water Commissioners.

SUPERINTENDENT'S REPORT

To the Honorable Board of Water Commissioners:

Gentlemen:—I present herewith the report of the department for the year ending December 31, 1920.

Summary of Receipts

Cash in treasury, January 1, 1920		$9,654.10
Water rates	$23,813.01	
Meter rentals	1,426.61	
Repairs	445.47	
Rent of buildings	504.00	
Sale of grass	63.00	
Refund on insurance	129.89	
Sale of old material	163.19	
Interest on bank balances	152.45	
		26,697.62
Extension of service and sale of meters	1,189.71	
Fire damage to trees	250.00	
		1,439.71
		$37,791.43

Summary of Expenditures

Extension of main	$235.22	
Extension of services	2,173.35	
Purchase of meters	602.91	
		$3,011.48
Coal	$4,786.17	
Engineers	3,335.00	
Painting pumps and interior of station	223.30	
Labor on station and grounds	89.66	
Insurance	134.40	
Telephone service	9.48	
Installing toilet, railings and general repairing	569.93	
Lighting station	59.45	
Supplies for station	367.55	
		9,574.94

Office and meter reading	$849.19	
Telephone service	79.53	
Printing, stationery and postage	132.88	
Clerk's Department	400.00	
Salaries	2,135.00	
Renewal, repairing, parts and care of meters	1,194.95	
Labor and material on leaks	602.28	
Liability insurance	467.15	
Repairing old standpipe and painting both	1,459.87	
Labor, supplies and general repairing	2,641.44	
		9,962.29
Interest on bonds		6,720.00
Cash in treasury, December 31, 1920		8,522.72
		$37,791.43

Maintenance Account

Receipts

Balance, January 1, 1920		$6,469.75
Rates, rentals, etc.		26,697.62
		$33,167.37

Expenditures

Orders drawn	$19,537.23	
Interest on bonds	6,720.00	
		26,257.23
Cash balance		6,910.14
		$33,167.37

Assets

Cash balance		$6,910.14
Amount due from water rates	$5,788.14	
Amount due from meter rentals	219.30	
Amount due from repairs	70.85	
		6,078.29
		$12,988.43

Construction Account

Receipts

Balance, January 1, 1920		$3,184.35
Extension of services	$1,189.71	
Fire damage to trees	250.00	
		1,439.71
		$4,624.06

Expenditures

Orders drawn	$3,011.48
Cash balance, December 31, 1920	1,612.58
	$4,624.06

Assets

Cash balance	$1,612.58
Amount due this account	21.24
	$1,633.82
Amount transferred from earnings of department for construction to December 31, 1920	$30,306.44

Cost of Works

Cost of works as reported Dec. 31, 1919	$376,310.71
Expended in 1920	2,990.24
	$379,300.95

Annual Revenue

Revenue since works were established, excluding income received from the town for water for public purposes:

1890	$505.99
1891	2,318.45
1892	3,125.99
1893	4,205.75
1894	5,096.07
1895	5,826.42
1896 (ten months)	5,362.11
1897	6,629.75
1898	6,808.11
1899	7,334.06

1900	7,857.09
1901	7,593.08
1902	7,890.28
1903	8,959.75
1904	9,156.81
1905	9,397.11
1906	12,285.20
1907	11,051.37
1908	12,391.19
1909	12,378.89
1910 (new rate, $6.00 minimum)	10,995.10
1911	14,080.56
1912	14,461.30
1913	14,865.69
1914	17,419.34
1915	18,907.14
1916	21,395.40
1917	21,977.69
1918	22,336.06
1919	25,094.02
1920	25,258.86

WATER PUMPED IN 1920

No allowance made for slip of Pumps

Months in 1920	Gallons pumped in 1920	Avarage per day in each month	Coal consumed including heating station and banking fires	Average number gallons pumped per pound coal

Services

Fifty-two services have been added during the year, four discontinued, making a total of one thousand seven hundred forty-eight.

Sixty-two are shut off temporarily, thirty supply the public buildings, parks and fountains of the town.

The length of service pipe laid is 3,609.3 feet, amount discontinued 538.0 feet, balance added to amount reported December 31, 1919 makes a total of 166,736.0 feet or 31.57 miles.

There are also twenty-one fire service mains.

Extension of Main in 1920

Highland Circle, from Highland Avenue west 260.2 feet of six-inch pipe, with one six-inch gate and one hydrant.

List of Pipes Laid to December 31, 1920

Size	*Feet*	*Gates*
18 inch	18.0	
16 inch	2,002.8	3
14 inch	15.0	
12 inch	8,534.7	18
10 inch	11,424.0	15
8 inch	70,916.1	98
6 inch	112,077.6	190
4 inch	15,549.4	32
	220,537.6	356

Total 220,537.6 feet or 41.76 miles, 356 gates, and 370 hydrants.

SUMMARY OF STATISTICS

For the Year Ending December 31, 1920
Needham Water Department, Norfolk County, Mass.

Population by census of 1920, 7,012.
Date of construction, 1890. Owned by the Town of Needham.
Source of supply, wells. Mode of supply, pumping to standpipes.

Pumping

1. Builders of pumping machinery, the George F. Blake Manufacturing Company and the Laidlaw-Dunn-Gordon Company.
2. Description of fuel used:
   a. Bituminous coal, cost per net ton, $13.92.
   b. Anthracite coal, cost per net ton, $14.00.
3. Coal consumed for the year, 553,000 pounds.
4. Total pumping for the year, 164,820,000 gallons, without allowance for slip of the pumps.
5. Average static head, 242 feet.
6. Average dynamic head, 277 feet
7. Number gallons pumped per pound of coal, 298.0.
8. Duty of Laidlaw-Dunn-Gordon Pump, 67,419,144 foot pounds.

   Cost of pumping figured on pumping station expenses, viz.: $9,574.94.

9. Per million gallons pumped, 58.09.
10. Per million gallons raised one foot (dynamic), $0.209.

    Cost of pumping figured on total maintenance, including interest on bonds, viz.: $26,257.23.

11. Per million gallons pumped, $158.09.
12. Per million gallons raised one foot (dynamic), $0.57.

Consumption

1. Estimated population of the town, 7,150.
2. Estimated population on lines of pipe, 7,100.
3. Estimated population supplied, 7,100.
4. Total consumption, 164,820,000 gallons.
5. Average daily consumption, 450,327 gallons.

6. Gallons per day to each inhabitant, 62.9.
7. Gallons per day to each consumer, 63.4.
8. Gallons registered by meters, 94,503,200.
9. Water for public purposes not metered.

Distribution Mains

1. Kind of pipe, cast iron.
2. Sizes, 4 to 18 inches.
3. Extended during the year, 260.2 feet.
4. Total now in use, 41.76 miles.
5. Number of hydrants added during the year, 1.
6. Number of hydrants now in use, public, 345, private, 25, total 370.
7. Number of stop gates added during the year, 1.
8. Number of stop gates now in use, 356.
9. Range of pressure on mains, 63 to 120 pounds.

Services

10. Kind of pipe, cast, cement-lined, lead-lined, galvanized iron and lead.
11. Sizes ½ to 8 inches.
12. Extended during the year, 3,071.3 feet.
13. Total now in use, 31.57 miles.
14. Number of services added during the year, 52.
15. Number now in use, 1,748.
16. Number used for public purposes, 30.
17. Number of meters now in the department, 1,711.
18. Percentage of services metered (domestic), 100.

Respectfully submitted,

GEORGE A. ADAMS,
Sueprintendent

TOWN OF NEEDHAM

ANNUAL REPORT

OF THE

BOARD OF ASSESSORS

FOR THE YEAR 1920

NEWTON
GARDEN CITY PRESS, INC.
1921

ASSESSORS' REPORT

The Board of Assessors submit the following report for the year 1920:

Increased appropriations by the town, also increased taxes by the State and County over the year 1919, called upon the Assessors to raise by taxation $86,497.12 more than in 1919. To do this, with the 1919 valuation, together with the new property to be assessed, meant a much larger tax rate. Therefore the board decided to make a revaluation of the town. This was done, we believe, in a fair and equitable manner, and resulted in a total increased valuation of $1,066,-545 which enabled the board to declare a $25 rate.

We again call your attention to the fact, that nothing has been done, to keep the Block System of the town up to date during the last three years, and would recommend that an appropriation be made, to correct the plans, which the town already has.

William F. Casey,
Henry Godfrey, Jr.,
George W. Holt,
Board of Assessors.

TABLE OF AGGREGATES

Town appropriations	$274,892 12
Overlay	6,692 07
Amount to be raised for town purposes	$281,584 19
State tax	28,840 00
